GIs Off Duty Warned To Stay In Billets

Reds Dot South Vietnam With Pre-Voting Assaults

SAIGON (AP)—Communist guerrillas dotted South Vietnam with pre-election assaults and terror attacks today, shelling a fourth provincial capital in as many days and kidnaping 39 draft-age men in another village.

With Sunday's presidential election only three days off, officials warned that worse Red violence was expected. Americans off duty were warned to stay in their billets.

U. S. Command announced the loss of two more warplanes over North Vietnam, maintaining a recent loss rate of more than one plane a day.

The weekly casualty report reflected the current lull in ground fighting, with 125 Americans killed last week and 1,078 wounded. Both totals were up slightly from the previous week but were below the average of recent months.

Communist losses were 1,350, also below average, while the South Vietnamese had 101 killed and 367 wounded, well below the American figures and reflecting the increased role of U. S. troops in Vietnam.

The latest terrorist attacks were scattered through the Mekong Delta, the Saigon area and the central provinces. The guerrillas were generally lying low in the far north after spectacular attacks Tuesday in which two dozen hit-and-run strikes were made and 997 prisoners were freed from the provincial jail at Quang Ngai.

Two American Army advisers and a U.S. government civilian employe were killed south of Quang Ngai when guerrillas caught two platoons of militiamen in a crossfire as they were trying to recapture some of the freed prisoners. A crewman of a U.S. rescue helicopter also was wounded, but the Viet Cong slipped away when Vietnamese army reinforcements arrived.

The fourth provincial capital hit this week was the normally sleepy town of Phan Thiet, on the coast about 95 miles east of Saigon. Mortar shells began to fall at 1:30 a.m., and when the 15- round barrage ended a small child was dead and 11 civilians were wounded. About the same time a band of guerrillas entered the village of Cua Doi, 288 miles north of Saigon, and carried off 39 young men at gunpoint. The normal Communist tactic is to indoctrinate such captives and put them in Viet Cong units.

Despite Communist efforts, the election campaign appeared undisturbed. Rallies were held throughout the nation and international observers—including the 22 Americans sent by President Johnson—began to appear at offices and campaign meetings.

Military headquarters reported relatively clear skies over North Vietnam Wednesday, with 157 missions taking off from Thailand, South Vietnam and three carriers in the Tonkin Gulf.

The two planes downed were a Navy A4 Skyhawk jet and an A1 propeller-driven Skyraider lost to ground fire. The jet pilot was missing but a helicopter pulled the Skyraider pilot from the sea with Red shells falling all about.

Military headquarters said Navy pilots flew heavy strikes against installations above the North Vietnamese port of Haiphong while Air Force jets attacked the MIG airfield at Hoa Lac, 20 miles west of Hanoi.

Pilots returning from Hoa Lac reported no MIGs on the ground but said the Communists had painted the outlines of MIGs inside sandbagged revetments to decoy U.S. planes. They also painted bomb craters on the runway to give the appearance the field was out of action.

However, Air Force officers said the field was still being used, with some MIGs parked well outside the area for towing to the runway. They said the Red jets may come down from Red China and refuel at the field before taking off on missions.

The giant B52s hit twice inside the demilitarized zone today, cutting a swath along the jungle route used by the North Viet-

Britain Awaits Peking's Reply On Bid For Talks

Offer Made To Prevent Total Break

Hopes To Keep Its Legation In Peking, Hold Hong Kong

LONDON (AP) — Britain, hoping to keep its listening post in Peking and its hold on Hong Kong, sought today to avoid a total break with Red China by offering to discuss normalization of relations following violent incidents in Peking and London.

There was no detectable sign, however, that the British expected the Chinese to agree to a message suggesting talks.

The offer Wednesday cabled by British Foreign Secretary George Brown to Chinese Foreign Minister Chen Yi, was seen primarily as an effort to prevent a further deterioration in relations at a time when British officials feel a change in China's leadership may be near and want observers on the scene.

No one would say so officially, but British officials are known to feel that Communist party Chairman Mao Tse-tung's campaign to purge his enemies is heading toward a climax in which his authority may diminish.

British officials declined to say whether Brown proposed a personal meeting with Chen or discussions through normal diplomatic channels.

The Foreign Office said Shen Ping, China's charge d'affaires in London, also was handed a copy of the message but refused to accept it.

The Peking-London feud has been over Hong Kong, the British colony of 4 million on Red China's southern coast. Local Communists, with encouragement from Peking, have been trying to gain the upper hand there.

After Britain ignored Red China's ultimatum to free Communist newspapermen held on sedition charges, a mob burned out the British mission in Peking on Aug. 22.

LBJ's Election Observers Inspect Viet Polling Spots

SAIGON (AP) — President Johnson's 22 election observers fanned out across South Vietnam today to inspect polling places and see as much as they could of the campaigning and the government's arrangements for Sunday's voting.

They arrived in Saigon Wednesday to join 60 other official guests of the Saigon government, from 23 nations, to watch the election for president, vice president and a 60-man Senate.

The American senators, governors, mayors, religious leaders, labor, business and news executives received a briefing from U.S. Ambassador Ellsworth Bunker and other U.S. officials and then split up for trips into the provinces.

The group includes both supporters and critics of the President's Vietnam policies.

All of the 22 observers said they were satisfied with what they saw in helicopter visits to provinces ranging from the Mekong delta to the embattled 1st Corps area in the North.

But few were prepared to comment on charges that the elections were being unduly influenced by the Vietnamese military whose candidates, Lt. Gen. Nguyen Van Thieu and Air Marshal Nguyen Cao Ky, are expected to win.

Gov. Richard J. Hughes of New Jersey said he was "preliminarily impressed with the scope of the safeguards I have seen so far, but I have not seen enough to make a flat judgment."

Whitney Young, president of the Urban League, was visiting Binh Duong Province 30 miles north of Saigon with Hughes. He said he didn't get the impression that local officials "are going all out to get the people to vote for the military ticket."

Oregon Gov. Thomas L. McCall, on a visit to Kien Phong Province 50 miles southwest of Saigon, said: "I am pleased with what I have seen—the technicalities of setting up the election procedures. But I don't know that we could begin to make a concrete judgment on the fairness of the election. Now—or ever."

North Dakota Gov. William L. Guy, one of five observers arriving in Da Nang, was asked if the observers would be qualified to judge the election after such a brief stay in Vietnam.

"Most of who have been in politics for 10, 15 or 20 years think we are capable," he replied. "We are capable of getting the feel of the election."

Sen. George Murphy, R-Calif., and Joseph Scerra of Gardner, Mass., commander-elect of the Veterans of Foreign Wars, said they were impressed by the government's arrangements for the election.

"I look forward to a successful election," Murphy said. "It will not be unlike an election in Beverly Hills."

'First Priority Should Be Our Own People'

Kennedy Questions Greene Claim Viet More Vital Than City Plight

WASHINGTON (AP) — Sen. Robert F. Kennedy challenges the contention of Gen. Wallace M. Greene Jr., Marine Corps commandant, that Vietnam is more important than the plight of U.S. cities.

"That's a mistake," the New York Democrat said in an interview. "President Johnson has said we can fight the war and still act on our problems at home.

"Our first priority should be to our own people. We are on the brink of the most serious crisis since the Civil War.

"It seems to me we are devoting all of the resources required to the war in Vietnam but we are not doing so in respect to our domestic problems. There is no question that we have not done what we should have done for the urban and rural poor."

Greene told the American Legion convention Wednesday in Boston that if the United States does not stop the Communists in their promotion of world revolution "then our domestic problems and our pocketbooks are going to become mighty unimportant in the future."

The Marine Corps chief criticized what he said was an attitude of pessimism at home about the progress of the war. He said when he left Vietnam three weeks ago after his sixth visit there, "I left an atmosphere of optimism."

Sen. John Sparkman, D-Ala., a leading Johnson policy supporter on the Senate Foreign Relations Committee, said in another interview he thinks Americans are entirely too pessimistic about Vietnam. "We need confidence and patience," he said. "We not only are going to win the war but we are winning it now. No military expert I have talked to has given me any contrary report."

Sen. Clifford P. Case, R-N.J., a critic of the Saigon military regime, said there is growing unrest in this country "based on a realization that our real objectives in South Vietnam are not appreciably nearer attainment than they have been during all the many years of our involvement."

And Sen. John Stennis, D-Miss., proposed in a speech to the Legion convention that military leaders be directed to develop a "war-ending plan" for the use of ground, naval and air power "necessary to win as quickly as possible and bring our men home."

"I see no prospect of early success under a policy of applying military pressure in a limited, gradual and piecemeal fashion," Stennis said. "We must face up to an unpleasant job and get it over with."

Kennedy said he had no reason to change his opinion that Sunday's South Vietnamese elections will be a fraud. Sen. George D. Aiken, R-Vt., said earlier the poll-watching mission of 22 prominent Americans sent to Saigon by Johnson "can't amount to a damn."

Aiken told an interviewer that appointment of the group was "a long shot on the part of the President to bolster his position" that the elections would be conducted fairly.

But Sen. Daniel K. Inouye, D-Hawaii, said he is encouraged "by the progress which has been made toward a representative government in South Vietnam." He said in a statement the Sunday elections should not be written off as a fraud.

Pennsylvania House Sets New Cigarette Tax Vote

HARRISBURG (AP) — House Republicans, refusing to concede defeat, tried once again today to pass a 5-cent increase in the state cigarette tax.

The cigarette legislation was voted down Wednesday, although the House approved a $59.9 million raise in corporate net income tax, which went to the Senate.

Majority Leader Lee A. Donaldson Jr., R-Allegheny, said he was hopeful of rounding up the necessary 102 votes to pass the cigarette levy.

Minority Leader Herbert Fineman, D-Philadelphia, said he expected Democrats to oppose the cigarette tax today as they did Wednesday.

Hanging in the balance were preferred appropriations totaling $136 million, which Donaldson said could not be acted upon until new revenues were provided.

The proposed increase in the cigarette tax, from 8 to 13 cents, plus a related measure that merely would transfer monies from one fund to another, fell by identical votes of 100-98, less than a constitutional majority. There were four absentees.

Two Republicans, Reps. George W. Gekas, R-Dauphin, and George W. Alexander, R-Clarion joined Democrats in opposing the cigarette and the business tax bills.

Reps. James Musto, Luzerne, and John T. Walsh, D-Allegheny, bolted Democratic ranks on the business tax proposal, assuring its passage. 102-96.

"The Democratic philosophy is that when taxes are necessary, we tax those that are able to pay, and there is no doubt some taxes are necessary," Musto said.

Republicans say that $285 million in new taxes are necessary to help finance Gov. Shafer's $1.79 billion budget for the current fiscal year.

Since early June, however, Democrats have blocked any action on the proposed revenue-raising measures contending

Official Sees Youth's Death As Accidental

LISBON — Dr. James Milligan of Salem, acting Columbiana County coroner, has ruled accidental death in the case of a 13-year-old youth who was struck in the head by a .22 caliber bullet in a Knox Township farmhouse Wednesday after a rifle discharged.

The victim was Louis Ralph Shaheen, son of Louis and Frances Shaheen of 5545 Lake Cable, North Canton.

His twin brother, Salem Michael Shaheen, who held the gun, and their cousin, John Kouskouris, 14, told Sheriff Russell J. Van Fossan they got the gun from an upstairs closet and did not know it was loaded. They said they pulled the trigger several times and nothing happened.

They said the rifle went off when Michael pointed it at Ralph. The .22 magnum slug hit the boy in the eye, went through his head and lodged in the plaster wall.

The tragedy occurred about 10:30 a.m. in an upstairs bedroom at the home of Mr. and Mrs. John Kouskouris of Hartley Rd., the twins' uncle and aunt. Ralph had been visiting in the home for some time, but

U.S. Troops In Viet Boosted To 462,000

SAIGON (AP) — American troop strength in Vietnam increased by 5,000 last week to 462,000, the U.S. Command announced today.

One of the new units arriving in the country was the 2nd Squadron, 1st Cavalry, from Ft. Hood, Tex., which disembarked from a troop ship at Qui Nhon, 275 miles northeast of Saigon.

Lifeguards Get Fits

BIRMINGHAM, Ala. (AP) — Fess Abell gives lifeguards fits if they don't know him.

He has a habit of going to sleep in the water.

"No great problem," says the 83-year-old Abell. "I just relax like I'm in bed, breathe deep and natural and pretty soon I'm sound asleep.

"I have slept so hard that someone had to splash my face with water to wake me up.

"It's really great,"

Abell also can float vertically in 15 feet of water and claims to be able to float in any position.

The former YMCA worker says he taught an estimated 25,000 people to swim in his 65 years of instructions.

He says that relaxation and natural breathing are the secrets of floating.

LBJ Assures Governors On Road Funds

OSAGE BEACH, Mo. (AP)—The 13-state Midwestern Governors' Conference ended Wednesday with a bit of good news on highway funds and passage of several resolutions backing up views expressed during the four-day session.

The good news came in a telegram from President Johnson, who told the group he had ordered immediate apportionment of $4.8 billion of highway funds for the next fiscal year.

The governors earlier had passed a resolution asking restoration of reduced federal highway funds and guidelines for future planning. Congress, the governors said, should restore a federal matching fund of $100 million to implement the highway safety act. The fund has been cut to $20 million.

Among those attending was Michigan Gov. George Romney, an unannounced candidate for

PUCO Grants Sanction

Toll-Free Phone Service OK'd In 5 Communities

The Public Utilities Commisson of Ohio has approved extended telephone service for the Salem, Lisbon, Leetonia, Columbiana and New Waterford exchanges.

Prosecuting Atty. J. Warren Bettis, who spoke in favor of the five - exchange package to the commission early this year, received word of the approval this morning. Bettis is a former member of the PUCO.

Columbiana County Rural Health and Safety Council initiated the extended service idea some time ago on a countywide basis. Jack Moran, commercial manager for the Ohio Bell Telephone Co. at Salem, and company representatives responded with the five - exchange plan and mailed ballots to subscribe in each exchange. The vote was sufficiently in favor to warrant placing the request before the PUCO.

Under the package plan, once Ohio Bell makes the necessary mechanical changes, there will no longer be long distance toll charges for:

Lisbon to call Salem, Leetonia and Columbiana.

Leetonia to call Lisbon and Salem (Leetonia and Columbiana already have extended service).

Columbiana to call Lisbon and New Waterford.

New Waterford to call Columbiana.

Salem to call Leetonia and Lisbon.

The rate adjustment for extended service will add 25 cents to the current $4.30 monthly rate for a private line in Lisbon and Leetonia and 10 cents for Columbiana and New Waterford. There will be no increase for Salem subscribers.

The two-party rate, now $3.55, will be increased to $3.65 in Leetonia and Lisbon, and $3.60 in Columbiana and New Water-

The victim was Louis Ralph Shaheen, son of Louis and Frances Shaheen of 5545 Lake Cable, North Canton.

His twin brother, Salem Michael Shaheen, who held the gun, and their cousin, John Kouskouris, 14, told Sheriff Russell J. Van Fossan they got the gun from an upstairs closet and did not know it was loaded. They said they pulled the trigger several times and nothing happened.

They said the rifle went off when Michael pointed it at Ralph. The .22 magnum slug hit the boy in the eye, went through his head and lodged in the plaster wall.

The tragedy occurred about 10:30 a.m. in an upstairs bedroom at the home of Mr. and Mrs. John Kouskouris of Hartley Rd., the twins' uncle and aunt. Ralph had been visiting in the home for some time, but

Lifeguards Get Fits

BIRMINGHAM, Ala. (AP) — Fess Abell gives lifeguards fits if they don't know him.

He has a habit of going to sleep in the water.

"No great problem," says the 83-year-old Abell. "I just relax like I'm in bed, breathe deep and natural and pretty soon I'm sound asleep.

"I have slept so hard that someone had to splash my face with water to wake me up.

"It's really great,"

Abell also can float vertically in 15 feet of water and claims to be able to float in any position.

The former YMCA worker says he taught an estimated 25,000 people to swim in his 65 years of instructions.

He says that relaxation and natural breathing are the secrets of floating.

LBJ Assures Governors On Road Funds

OSAGE BEACH, Mo. (AP)—The 13-state Midwestern Governors' Conference ended Wednesday with a bit of good news on highway funds and passage of several resolutions backing up views expressed during the four-day session.

The good news came in a telegram from President Johnson, who told the group he had ordered immediate apportionment of $4.8 billion of highway funds for the next fiscal year.

The governors earlier had passed a resolution asking restoration of reduced federal highway funds and guidelines for future planning. Congress, the governors said, should restore a federal matching fund of $160 million to implement the highway safety act. The fund has been cut to $20 million.

Among those attending was Michigan Gov. George Romney, an unannounced candidate for

PUCO Grants Sanction

Toll-Free Phone Service OK'd In 5 Communities

The Public Utilities Commission of Ohio has approved extended telephone service for the Salem, Lisbon, Leetonia, Columbiana and New Waterford exchanges.

Prosecuting Atty. J. Warren Bettis, who spoke in favor of the five - exchange package to the commission early this year, received word of the approval this morning. Bettis is a former member of the PUCO.

Columbiana County Rural Health and Safety Council initiated the extended service idea some time ago on a countywide basis. Jack Moran, commercial manager for the Ohio Bell Telephone Co. at Salem, and company representatives responded with the five - exchange plan and mailed ballots to subscribe in each exchange. The vote was sufficiently in favor to warrant placing the request before the PUCO.

Under the package plan, once Ohio Bell makes the necessary mechanical changes, there will no longer be long distance toll charges for:

Lisbon to call Salem, Leetonia and Columbiana.

Leetonia to call Lisbon and Salem (Leetonia and Columbiana already have extended service).

Columbiana to call Lisbon and New Waterford.

New Waterford to call Columbiana.

Salem to call Leetonia and Lisbon.

The rate adjustment for extended service will add 25 cents to the current $4.30 monthly rate for a private line in Lisbon and Leetonia and 10 cents for Columbiana and New Waterford. There will be no increase for Salem subscribers.

The two-party rate, now $3.55, will be increased to $3.65 in Leetonia and Lisbon, and $3.60 in Columbiana and New Water-

that the administration was overestimating its needs.

Donaldson had predicted passage of both the cigarette and the business taxes, but when the roll was called Wednesday on cigarettes, the ayes were lacking.

Rep. Martin P. Mullen, D-Philadelphia, said later the Republicans could have picked up some Democratic votes had they gone along with an amendment he offered to earmark 2 cents, representing a $27 million yield, for private and parochial schools.

Mullen is a prime backer of a bill, locked in the Appropriations Committee, that would create a special authority to dispense financial assistance to nonpublic schools.

His amendment was an attempt to force a showdown on the issue, but Rep. H. Joseph Hepford, R-Dauphin, questioned whether the amendment was germane to the tax measure. The point of order was sustained 109-86.

"It's up to the Republicans now," Mullen said. "They control the Appropriations Committee. We want to help the 600,000 boys and girls attending nonpublic schools, but we can't do it without Republican votes."

Van Fossan said the rifle is owned by Gregory Kouskouris, a grown son who resides in Sebring. He told the sheriff he always unloads the gun by releasing the cartridge clip and letting it hang from the chamber. There was one spent shell in the clip. It would have been possible to click the trigger several times without firing if the clip were not pushed into the chamber, the sheriff said.

Constable Dan Scala notified the sheriff. The body was released to Alliance City Hospital.

Californians Plagued By Fires, Smog, Heat

LOS ANGELES (AP)—Southern Californians were plagued today by brush fires, the worst smog since 1955 and stifling heat.

An estimated 11,000 acres of brushland was blackened by fires northeast of Los Angeles. One, near Piru, was burning fiercely in an oil field.

In downtown Los Angeles, the mercury climbed from 78—a record high minimum—to 100 degrees Wednesday.

Burbank to the north sweltered in 113 degrees.

The second highest smog reading of all time in Los Angeles County was recorded Wednesday. The ozone count at Azusa was .73 part per million parts of air.

Previously, the worst smog was the all-time high of .80 recorded at Vernon in 1955.

Police In Milwaukee Scatter Demonstrators

By KEN HARTNETT

MILWAUKEE, Wis. (AP) — Squads of riot-clad police backed up Mayor Henry Maier's ban against demonstrations with a show of force Wednesday night, twice scattering bands of Negro demonstrators who clustered in a chanting chorus outside their burned out headquarters.

At least 50 persons were arrested and two were injured in the sweeps by police outside the fire-ravaged hull of the "Freedom House" of the Milwaukee Youth Council, National Association for the Advancement of Colored People.

The demonstrators said they would hold an indoor rally tonight—possibly inside a Roman Catholic church.

No shots were fired in the clashes Wednesday night, but debris flew as the police made their second move against the demonstrators.

The police acted after Mayor Maier declared a state of emergency and imposed a 30-day ban on marches and demonstrations on Milwaukee's streets and sidewalks.

"There'll be a rally tomorrow, maybe in St. Boniface church," said the Rev. James E. Groppi, assistant pastor at the Roman Catholic parish in the predominantly Negro Inner Core, Wednesday night.

The priest, who said he was chased by police during their second drive against the "Freedom House," is adviser to the youth council and the leader of its open housing marches into the predominantly Polish South side.

The mayor's proclamation of a state of emergency came after the second night of marches Tuesday night drew increasingly hostile and more unruly throngs of whites. The marches resulted in 24 injuries and 61 arrests.

Wednesday, police secured the area around "Freedom House" within about 15 minutes.

But about an hour later, a group of about 50 persons, including Father Groppi, had gathered once more by the Freedom House.

The singing and chanting began again.

Again the police moved in and the crowd was scattered. This time bottles flew.

Father Groppi insisted the group was on private property when the police moved in. He said police went right in homes next to the Freedom House looking for demonstrators.

"No guy can just run into a man's house without a warrant," the priest said. "That's just what they did. They ran right into Mrs. Mitchell's house and she just lost her son in Vietnam."

Grange Given Display Prize

LISBON — The fair committee of Mt. Nebo Grange presented to the members Wednesday evening the third prize won in Grange displays last week at the Columbiana County Fair.

Twenty - seven attended. Howard Wilhelm, master, presided for the subordinate meeting and Mrs. Wilhelm for Junior Grange.

Members voted to change the meeting hour from 8:30 to 8 p.m., effective in September. Orren Boehm, legislative agent, reported on recent legislation. Plans were made to serve lunch at the Harley Welker sale Sept. 9.

Charles L. Morlan, county Grange deputy, announced the following events: Installation of Pomona Grange officers Sept. 16 at Clarkson Grange instead of Pleasant Valley as scheduled in the roster, and the County Grange youth banquet Sept. 5 at Butler Grange, rather than at West Point.

Wilhelm read a letter from the Lisbon Registered Nurses Association soliciting support for the Red Cross Bloodmobile's semi-annual visit to Lisbon Oct. 3.

Mrs. Viola Harrold, lecturer, was in charge of the program. The social committee served lunch.

the Republican presidential nomination. But Wisconsin Gov. Warren P. Knowles said Romney "has been participating as a governor rather than as an expected presidential candidate."

Other governors agreed there had been little talk of national politics.

Other resolutions adopted by the conference urged:

—Re - evaluation by the Department of Housing and Urban Development of its programs to coordinate them with housing programs in the states.

—Suitable state agencies to carry out a proposed federal act on law enforcement and criminal justice. The bill before Congress carries funds for training law enforcement officers.

—Federal-state revenue sharing.

Storm Arlene Grows Stronger In Atlantic

MIAMI, Fla. (AP)—Growing stronger by the hour, tropical storm Arlene crawled slowly across the Atlantic Ocean today on a course that kept it far from land as its winds approached hurricane velocity.

Forecasters at the national hurricane center in Miami said Arlene, the season's first tropical storm, seemed certain to reach hurricane status sometime today.

The storm's poorly defined path was checked out Wednesday by planes, ship sightings and satellite pictures.

At 6 a.m. Arlene was about 1,200 miles southeast of Bermuda, moving toward the west northwest at about 15 miles an hour. She was centered near Latitude 22.5 north and Longitude 49.0 west.

Nigeria has some 250 different tribal groups, with as many languages. Necessity made English its official language.

4 Work Days Set By Scouts

LISBON — Columbiana Boy Scout Council has scheduled work days Sept. 9 and 23 and Oct. 14 and 28 at Camp Twin Spruce on Leesville Lake.

Bennett D. Taylor Jr., council executive, said several projects are to be completed on these days so there will not be so much to do at the opening of camp next summer.

A supervisor will be on duty each day to assign the work. Taylor said volunteers should carry a lunch because the kitchen will not be open.

The latest issue of "The Packett," the council's newsletter, announced that headquarters at Lisbon will be closed Monday for Labor Day.

A work day for Camp McKinley near Lisbon will be held Oct. 7 beginning at 9 a.m.

National Rifle Association hunter safety courses will begin in September. Scoutmasters interested may contact Melvin Nulf of 528 Fairfield Ave., Columbiana. Over 70 Boy Scouts in Shawnee District — the northern half of Columbiana County — completed the NRA course in April and June.

The Packett reported over 30,000 rounds of .22 caliber ammunition were fired this summer at Camp Twin Spruce. Winners in the camp marksmanship contests will have a shoot-off Sept. 28 at Salem Hunt Club.

Taylor said the Executive Board's September meeting has been changed to Sept. 14 at Camp McKinley because of the regional cub training conference in Cleveland.

Continuance Granted For Driver's Hearing

One motorist's case was continued and another forfeited bond in Municipal Court today.

Gerald C. Fogel of 563 Sumner St., East Palestine, pleaded guilty to a charge of improper backing after an accident about 5:15 a.m. on St. Clair Ave. But, sentencing was delayed until Sept. 6 so Fogel can make arrangements to pay $12.56 damage which resulted to a city "no parking" sign and standard.

Edward Brown of Chester RD 1 failed to appear. Judge Samuel Chertoff ordered $32.50 bond forfeited. Brown was charged with reckless driving after striking a parked car after an accident about 1:15 p.m. Wednesday.

The compound is used for cleaning steel pipe before it is plated.

No Place Like Home?

The Ohio General Assembly last week completed one of its longest sessions—almost eight months.

For those who believe the work could have been disposed of in half the time, it should be pointed out that the legislators considered and approved 353 bills and came down the stretch in a hectic all-night session to enact the most important legislation of the session.

Among the measures which have or will become law are 102 in the category of state government, 67 in local government, 44 in schools, 18 in courts, 23 in business, 24 in health-mental health, 21 in highways, 37 in appropriations, 7 in law and order, 9 in miscellaneous and one in compensation.

The Assembly meets every other year unless there is good cause to be called back into session in the even year, and one wonders what changes in people's relations with each other and their government in a two-year period would require such a staggering volume of new legislation.

Only a fraction of the number of bills introduced ever see the light of day, and yet the legislature huffs and puffs, steams and explodes, maneuvers and outwits and finally gives birth to a mass of new laws, the vast majority of which are local in nature, have importance to a relatively few, or are just plain unnecessary.

Shining examples of some of the powerful legislation enacted by the 107th General Assembly are these to:

LICENSE the taking of mussel used in production of artificial pearls.

PROVIDE separate offices for the Ohio Arts Council.

SET UP state programs to combat crop damage by blackbirds.

REQUIRE fire marshal's advisory council to meet twice a year instead of monthly.

REGULATE feeding of garbage to swine, requiring boiling for 30 minutes.

No legislature of our memory has ever had more than a dozen bills of transcending importance. Traditionally, all of them have deep-rooted political overtones with both parties jockeying for advantage at the expense of taxpayers' money and patience.

The result is that most of the hard work is saved for the strains and short tempers of the closing hours of the session, when nobody is thinking intelligently or giving a hoot about anything as important as going home.

A Bad 'Habit'

The number of younger people appearing in local and area courts for one reason or another presents an increasingly disturbing note.

Some apparently risk arrest because of necessity — they need money.

From a study of recent court cases, however, it appears that in most instances thoughtless acts of lawlessness have been perpetrated simply because of the so-called "thrill" that goes with such acts.

Youth has been, is and always will be adventuresome. But there is a wide gap between adventure and foolhardiness.

What youngsters fail to realize is that after one mishap there's a tendency for more and more to follow. The "habit" is hard to break.

Running afoul of the law at an early age often can mark one for life if the character is weak and the first lesson not learned. And the "thrill" vanishes in a hurry when the committed offenser are serious enough to invite reformatory or prison doors.

It's something to think about for those who may have the urge to get a kick out of life with the wrong approach.

Great Society Scores Again

Take heart taxpayers. The "chicken in every pot" philosophy is not dead!

You probably thought from the way things are going in Washington you were being overlooked except when the federal moneybag started to get that hollow feeling.

Don't you believe it!

The Great Society has come through for you.

A decree from the Agriculture Department has gone out to all the land stating unequivocally that as of Sept. 1 all prepared chicken or turkey soups must contain at least 2 per cent poulty meat.

It's almost unbelievable that in this dark moment when everything is shrouded in gloom, the Great Society puts the chicken where your mouth is.

Doesn't it almost being tears to your eyes?

No longer will it be necessary to wade through bowl after bowl of soup stalking that chicken chunk, or untying noodle knots to find its hiding place.

A whole 2 per cent. Wow!

Only in America could the citizens' welfare take precedence over all other pressing matters.

Now if the chicken lobby comes up with a good effort we can look forward to an escalator clause next year calling for guaranteed annual increases in chicken, noodle quality control regulations, decorator labels and a chef's hat (with a choice of colors, of course).

Changing Of The Lanes

Americans stuck in a massive traffic jam while enroute home after a long day at the salt mines can be thankful they don't have to face what Swedish motorists will be up against Sept. 3.

The 1.5 million drivers in Sweden must be off the road at 1 a.m. Sept. 3. After a five-hour lapse, traffic will resume but all vehicles then will be driving on the right-hand side of the highway.

This may sound fine to Americans but they haven't been driving on the left-hand side of the highway all their lives.

Sweden is spending $120 million to change traffic from the left to the right side of the road.

The five-hour period without traffic is to be used for changing signs and lane markings.

Even with three years of study by the Introduction of Right-Hand Driving Commission, the changeover is likely to be a real traffic nightmare.

The changing of signs will be a lot easier than changing driving habits refined over a period of years until they are automatic.

Officials in Sweden are hoping every driver will be so wary that the switch will be made without a rash of accidents.

Unless Swedish drivers are a lot different from American drivers, Sweden is in for a hectic period.

TRUMAN TWILL

Purely Personal Observations

The lady I shudder about riots with has an idea. She thinks if word has been passed around beforehand that policemen and soldiers would fire blanks as fast as they could pull the trigger, except for every 20th round, which would be the real thing, everybody would get out of sight in a hurry.

I don't believe I ever have seen a neatly lettered sign proclaiming "Live Bait." Could this be an outcropping of a proprietary attitude about a business that is chancy and transitory?

Anyone who hasn't understood why the Vietnamese war may go on and on should watch for a film clip showing North Vietnamese women training as guerrilla fighters. Women fight alongside men is Israel's army, too. "The female of the species is deadlier than the male."

The more I read and hear about Israeli methods of defense, the surer I am that U.S. methods could stand honest review, especially in respect to mobilization. We over-emphasize youth, underestimate motivation.

Whenever I eat cheese made of goat milk, I deem it superior to all other cheese yet go for years at a time without eating goat-milk cheese.

'Goodness, Everybody–It's The Auditors!'

Bombs Over Canada

By Art Buchwald

WASHINGTON

One of the most reassuring things that has happened in the past few weeks is the Johnson administration's confident reading of what is going on in the minds of the Red Chinese. The President has assured us that there are hardly any risks involved in bombing so close to the Red Chinese border, and we're told that Peking "knows" we have no intention of getting into a war with them at this time.

Art Buchwald

What has many people in Washington worried is not that the Red Chinese will become involved directly in the Vietnam conflict (we have Dean Rusk's pledge they won't), but that what the United States is doing in North Vietnam could start a precedent for future wars of liberation.

Suppose 10 years from now President De Gaulle is "stalemated" in his efforts to free the French people of Canada from their despotic rulers in Ottawa. By this time he will have committed the French army, the French navy and the French Foreign Legion to the war, yet Ottawa has refused to give up. De Gaulle will be faced with a very tough decision.

"MONSIEUR LE PRESIDENT, we have no choice but to bomb Ottawa, Toronto and Winnipeg. English-speaking Canada must be taught a lesson once and for all," a general says.

"But if we bomb Toronto, won't we run the risk of the United States getting in the war on the side of the Canadian aggressors?"

"Mais non, Monsieur le President. If you go on television and say that France does not desire a wider war with the United States, and all she is doing is trying to get Ottawa to come to the conference table, they will have no choice but to stay out of it."

"Ah yes, but suppose the United States does not accept this and feels that her border is being threatened."

"Do not worry Monsieur le President. Our American experts say the United States is having so many riots in their country that they couldn't possibly get involved in a foreign engagement. This is the perfect time to escalate."

"All right, you may bomb, but only military targets. Perhaps the outskirts of the cities to start with."

Three days later De Gaulle is awakened in the middle of the night.

"Monsieur le President, a squadron of Mysteres got lost and bombed Minneapolis by mistake."

"I was afraid of that."

"DO NOT BE worried. We notified Mexico to notify Washington that it was a mistake and that we apologize and will try not to do it again."

"That's good thinking, general. The Americans must know we have no quarrel with them. Has there been a reaction?"

"The President of the United States indicated he was very angry, but our intelligence informs us that they will not do anything but splutter."

At this point another phone rings. "Monsieur le President, our radar reports that the United States has just launched missiles that are heading straight for the French coast."

"You mean they're attacking us just because we bombed Minneapolis by mistake? I thought you assured me the United States wouldn't get into the Canadian war under any circumstances."

"Ah Monsieur le President, one never knows what's going on in the minds of those wily occidentals."

LBJ And Kennedy

By James Marlow

WASHINGTON

Never a nasty word between them. They're playing it cool. But the relationship between President Johnson and Sen. Robert F. Kennedy looks enough to be freezing.

The New York Democrat has been careful not to make any frontal assaults on Johnson and has even praised him, perhaps to pacify the President in case he thought Kennedy was out to get his job.

But to Johnson, always sensitive to criticism, having Kennedy around must be like being nudged by a hot poker. The senator has been generous with his criticism of the Johnson administration and with advice, too.

In 1965, less than a year after going to the Senate but while his fans were thinking of him as a candidate for something in presidential 1968, Kennedy went out of his way to brush off the idea.

First, and he repeated it, he said he had no intention of running for the vice presidency in 1968 (Johnson had banned him from that berth in the 1964 elections), only expected to seek re-election to the Senate in 1970 and had no plans to seek the presidency in 1972.

LATER HE said he would support Johnson for re-election in 1968, adding: "I have great admiration for what the President has done here in the United States and in our relationships with countries overseas . . .

"I have great respect for him and I think we agree on by far the larger percentage of major issues . . . he has been an outstanding President . . . and I look forward to campaigning for him in 1968."

But while Johnson has gone to great pains to get the South Vietnamese to hold elections Sept. 3, Kennedy recently said those elections looked like a fraud to him.

Over a year ago Kennedy said he favored elections in Vietnam, but suggested international observers should be there to see what happens. Kennedy wasn't the only recent critic on the elections. Now Johnson is sending observers.

Critics, and Kennedy was one of them, jumped all over Johnson for sending U.S. troops into the Dominican Republic in 1965 when the President said he feared Communists might try to take over.

Kennedy said he thought such a move would damage relations with the rest of Latin America. Later he said the Dominican elections which this country sponsored "rectified the damage."

Kennedy has been a constant critic of Johnson's handling of the war in Vietnam, and a constant adviser.

He said in 1965 Johnson should consult with Congress before sending any more troops there; urged the cease - fire at Christmastime that year be extended; was critical of the "escalation" of the war; called for a halt in the bombing coupled with peace negotiations within a week (this was disregarded) and thought the Viet Cong should take part in the peace talks (the administration has never agreed to that yet).

LAST YEAR Kennedy complained the administration proposal to cut funds for domestic programs made him wonder if the nation had learned anything from the Negro riots. By way of comment on that the White House said Johnson was doing all he could within the limits of "realism."

And Kennedy has made a number of proposals: that the United States develop an Asian policy "based on the reality and diversity of today's Asia"; that the United States drop its opposition to the admission of Red China to the United Nations, on the condition that Nationalist China be allowed to keep its seat there; that this country double its foreign aid to developing nations over the next few years; that there should be a massive rebuilding program in the nation's slums, complaining that more has not been done.

After all this Johnson probably doesn't feel that Kennedy, who gets great glee from shooting fast water in a raft, has done much to make him feel gleeful.

Flying High

The whistling swan has soared high and beyond the brink of extinction.

The bird's wariness and its habit of nesting on remote ponds, lakes and islands in northern Alaska and Canada have protected it from the fate of many other species.

Migrating whistlers fly so high and fast that they are almost invisible from the ground, the National Geographic Society says. Necks stretched, wings beating slowly and powerfully, whistlers may cruise at 100 miles an hour. When storms or mountains force them to a higher altitude, ice crystals swirl from their wing tips.

In October and November, whistlers often visit large bodies of water in the American interior en route to winter havens, chiefly on the east coast. The swans herald their arrival with a high - pitched hooting cry.

The Danger

If anything were needed to convince the North Vietnam government that they can gain their ends by prolonging the war, it is the news that comes over the wires nowadays from Washington.

Not only is it clearly evident that the hands of the American Armed Services are being tied and that they are being prevented by the secretary of defense from using maximum power to win the war, but the enemy is being informed, in effect, that the United States is hesitant to take the steps which could lead to victory.

Portions of the testimony before the Preparedness subcommittee of the Senate Armed Services Committee now have been made public which indicate that the military chiefs do not relish the restrictions imposed on them in fighting the war. General Wallace M. Greene, Commandant of the Marine Corps, told the committee, for example, that the United States "must make it as difficult and costly as we can for Hanoi to support the war." He emphatically recommended, as he has heretofore, "a stronger air campaign against North Vietnam," because he believes this "must be a necessary part of our strategy."

General Greene summed up the situation from the military viewpoint when he declared that the enemy is counting on its own patience, the lack of American patience and the gradual attrition of our forces in the south in order to be assured of victory.

General Harold K. Johnson, chief of staff of the United States Army, testified that the aerial assault has "contributed significantly" and is essential to the success of the military effort in Southeast Asia.

Equally positive is the statement by Senator John Stennis of Mississippi, Democrat, chairman of the Senate subcommittee, who unhesitatingly emphasizes that the testimony of the military witnesses appears to be "in clear and direct conflict" with the views expressed by Secretary of Defense McNamara last Friday.

Mr. Stennis said, moreover, that the military witnesses had "stated very clearly and strongly that they had not been able to gain approval to strike militarily important targets which they have recommended."

The senator pointed out also that Secretary McNamara had sought "to deprecate the importance or significance of the approved targets," and asked why, if the military leaders recommended these targets for air strikes, they do not appear to the secretary of defense to have "appreciable military significance."

The controversy between the secretary of defense and the heads of the armed services on the subject of strategy has produced a sense of frustration in Congress. Some senators who have been urging a procedure that amounts to what has been called in the past "peace at any price" now feel encouraged to intensify their efforts along the same line.

Thus far the Hanoi government has shown no signs of coming to the peace table. The only reason given in the press dispatches which seem logical is that the North Vietnamese believe that, if they persist in carrying on the war, they will make it more and more expensive for the United States and eventually bring about a humiliating withdrawal which would be hailed throughout the world as the biggest defeat that the United States has ever suffered. Communist imperialists everywhere would then rejoice.

Recently the theory has been advanced that, when the elections in South Vietnam have taken place, the United States will turn the whole problem over to the government in Saigon and let it try to conduct negotiations on its own. This, of course, would hardly prevent North Vietnam from adopting a domineering role.

What isn't generally realized is that if the Vietnam war should have such a tragic result, another war in Southeast Asia could break out after a short interval, and the United States might become directly involved with Red China because Peiping might make the same kind of miscalculation that Hitler did. The assumption again would be that the United States had decided not to enter any major war thousands of miles away from its shores. This illusion, fostered by retreat in Vietnam, constitutes the real danger for the future.

No Place Like Home?

The Ohio General Assembly last week completed one of its longest sessions—almost eight months.

For those who believe the work could have been disposed of in half the time, it should be pointed out that the legislators considered and approved 353 bills and came down the stretch in a hectic all-night session to enact the most important legislation of the session.

Among the measures which have or will become law are 102 in the category of state government, 67 in local government, 44 in schools, 18 in courts, 23 in business, 24 in health-mental health, 21 in highways, 37 in appropriations, 7 in law and order, 9 in miscellaneous and one in compensation.

The Assembly meets every other year unless there is good cause to be called back into session in the even year, and one wonders what changes in people's relations with each other and their government in a two-year period would require such a staggering volume of new legislation.

Only a fraction of the number of bills introduced ever see the light of day, and yet the legislature huffs and puffs, steams and explodes, maneuvers and outwits and finally gives birth to a mass of new laws, the vast majority of which are local in nature, have importance to a relatively few, or are just plain unnecessary.

Shining examples of some of the powerful legislation enacted by the 107th General Assembly are these to:

LICENSE the taking of mussel used in production of artificial pearls.

PROVIDE separate offices for the Ohio Arts Council.

SET UP state programs to combat crop damage by blackbirds.

REQUIRE fire marshal's advisory council to meet twice a year instead of monthly.

REGULATE feeding of garbage to swine, requiring boiling for 30 minutes.

No legislature of our memory has ever had more than a dozen bills of transcending importance. Traditionally, all of them have deep-rooted political overtones with both parties jockeying for advantage at the expense of taxpayers' money and patience.

The result is that most of the hard work is saved for the strains and short tempers of the closing hours of the session, when nobody is thinking intelligently or giving a hoot about anything as important as going home.

A Bad 'Habit'

The number of younger people appearing in local and area courts for one reason or another presents an increasingly disturbing note.

Some apparently risk arrest because of necessity — they need money.

From a study of recent court cases, however, it appears that in most instances thoughtless acts of lawlessness have been perpetrated simply because of the so-called "thrill" that goes with such acts.

Youth has been, is and always will be adventuresome. But there is a wide gap between adventure and foolhardiness.

What youngsters fail to realize is that after one mishap there's a tendency for more and more to follow. The "habit" is hard to break.

Running afoul of the law at an early age often can mark one for life if the character is weak and the first lesson not learned. And the "thrill" vanishes in a hurry when the committed offenses are serious enough to invite reformatory or prison doors.

It's something to think about for those who may have the urge to get a kick out of life with the wrong approach.

Great Society Scores Again

Take heart taxpayers. The "chicken in every pot" philosophy is not dead!

You probably thought from the way things are going in Washington you were being overlooked except when the federal moneybag started to get that hollow feeling.

Don't you believe it!

The Great Society has come through for you.

A decree from the Agriculture Department has gone out to all the land stating unequivocally that as of Sept. 1 all prepared chicken or turkey soups must contain at least 2 per cent poulty meat.

It's almost unbelievable that in this dark moment when everything is shrouded in gloom, the Great Society puts the chicken where your mouth is.

Doesn't it almost being tears to your eyes?

No longer will it be necessary to wade through bowl after bowl of soup stalking that chicken chunk, or untying noodle knots to find its hiding place.

A whole 2 per cent. Wow!

Only in America could the citizens' welfare take precedence over all other pressing matters.

Now if the chicken lobby comes up with a good effort we can look forward to an escalator clause next year calling for guaranteed annual increases in chicken, noodle quality control regulations, decorator labels and a chef's hat (with a choice of colors, of course).

Changing Of The Lanes

Americans stuck in a massive traffic jam while enroute home after a long day at the salt mines can be thankful they don't have to face what Swedish motorists will be up against Sept. 3.

The 1.5 million drivers in Sweden must be off the road at 1 a.m. Sept. 3. After a five-hour lapse, traffic will resume but all vehicles then will be driving on the right-hand side of the highway.

This may sound fine to Americans but they haven't been driving on the left-hand side of the highway all their lives.

Sweden is spending $120 million to change traffic from the left to the right side of the road.

The five-hour period without traffic is to be used for changing signs and lane markings.

Even with three years of study by the Introduction of Right-Hand Driving Commission, the changeover is likely to be a real traffic nightmare.

The changing of signs will be a lot easier than changing driving habits refined over a period of years until they are automatic.

Officials in Sweden are hoping every driver will be so wary that the switch will be made without a rash of accidents.

Unless Swedish drivers are a lot different from American drivers, Sweden is in for a hectic period.

Purely Personal Observations

The lady I shudder about riots with has an idea. She thinks if word has been passed around beforehand that policemen and soldiers would fire blanks as fast as they could pull the trigger, except for every 20th round, which would be the real thing, everybody would get out of sight in a hurry.

I don't believe I ever have seen a neatly lettered sign proclaiming "Live Bait." Could this be an outcropping of a proprietary attitude about a business that is chancy and transitory?

Anyone who hasn't understood why the Vietnamese war may go on and on should watch for a film clip showing North Vietnamese women training as guerrilla fighters. Women fight alongside men is Israel's army, too. "The female of the species is deadlier than the male."

The more I read and hear about Israeli methods of defense, the surer I am that U.S. methods could stand honest review, especially in respect to mobilization. We over-emphasize youth, underestimate motivation.

Whenever I eat cheese made of goat milk, I deem it superior to all other cheese yet go for years at a time without eating goat-milk cheese.

Bombs Over Canada

By Art Buchwald

WASHINGTON

One of the most reassuring things that has happened in the past few weeks is the Johnson administration's confident reading of what is going on in the minds of the Red Chinese. The President has assured us that there are hardly any risks involved in bombing so close to the Red Chinese border, and we're told that Peking "knows" we have no intention of getting into a war with them at this time.

Art Buchwald

What has many people in Washington worried is not that the Red Chinese will become involved directly in the Vietnam conflict (we have Dean Rusk's pledge they won't), but that what the United States is doing in North Vietnam could start a precedent for future wars of liberation.

Suppose 10 years from now President De Gaulle is "stalemated" in his efforts to free the French people of Canada from their despotic rulers in Ottawa. By this time he will have committed the French army, the French navy and the French Foreign Legion to the war, yet Ottawa has refused to give up. De Gaulle will be faced with a very tough decision.

"MONSIEUR LE PRESIDENT, we have no choice but to bomb Ottawa, Toronto and Winnipeg. English-speaking Canada must be taught a lesson once and for all," a general says.

"But if we bomb Toronto, won't we run the risk of the United States getting in the war on the side of the Canadian aggressors?"

"Mais non, Monsieur le President. If you go on television and say that France does not desire a wider war with the United States, and all she is doing is trying to get Ottawa to come to the conference table, they will have no choice but to stay out of it."

"Ah yes, but suppose the United States does not accept this and feels that her border is being threatened."

"Do not worry Monsieur le President. Our American experts say the United States is having so many riots in their country that they couldn't possibly get involved in a foreign engagement. This is the perfect time to escalate."

"All right, you may bomb, but only military targets. Perhaps the outskirts of the cities to start with."

Three days later De Gaulle is awakened in the middle of the night.

"Monsieur le President, a squadron of Mysteres got lost and bombed Minneapolis by mistake."

"I was afraid of that."

"DO NOT BE worried. We notified Mexico to notify Washington that it was a mistake and that we apologize and will try not to do it again."

"That's good thinking, general. The Americans must know we have no quarrel with them. Has there been a reaction?"

"The President of the United States indicated he was very angry, but our intelligence informs us that they will not do anything but splutter."

At this point another phone rings. "Monsieur le President, our radar reports that the United States has just launched missiles that are heading straight for the French coast."

How Can I?

By ANNE ASHLEY

Q. — How can I make a better and more secure job of putting up shelves or hanging heavy pictures on a plastered wall?

A. — It's a good idea to locate the studs in the wall, so that you can drive your nails or screws into them for a more secure anchor. You can find these studs easily by aid of a compass whose needle will be attracted by the nails in the studs, thus showing the location of the latter.

Q. — How can I go about cleaning all - fiberglass luggage, which is of the type that has no additional covering?

A. — By wiping with a damp cloth. And any scratches that might be present can usually be smoothed out by the careful use of fine steel wool.

UAW Convention Urged To Beef Up Strike Fund

DETROIT (AP) — The Ford National Council of the United Auto Workers Union recommended today calling of a special UAW convention to beef up the union's strike fund in the event a walkout is called next week to support new contract demands.

Similar resolutions were expected shortly from meetings of the union's General Motors and Chrysler councils.

The convention, according to reliable reports, would be called for Sept. 23. Contracts at all three companies expire at midnight next Wednesday.

The Ford Council's resolution asked that the special convention "provide an appropriate temporary increase in UAW strike insurance fund dues for as long as it is deemed necessary by the International Executive Board."

Presumably a convention would not be called unless there is a strike against one of the Big Three automakers, whose initial economic offers also were rejected by the national councils.

UAW President Walter P. Reuther is scheduled to announce a strike target at a 5:15 news conference today.

With only seven days left before current three-year contracts between the UAW and the companies expire, union negotiators have termed initial offers "inadequate and inequitable."

The Ford Council's resolution said "the possibility of strike action in the 1967 negotiations may now become a reality for the workers."

Denials Filed By 2 Men On Gun Charges

LISBON — Kelly Howard, 24, Salineville, pleaded not guilty at arraignment Wednesday in Columbiana County Southwest Court on a charge of carrying a concealed weapon.

Judge J. L. MacDonald bound him over to the September Grand Jury after a preliminary hearing and continued his bond of $1,000.

Frederick Clair, 24, East Palestine, charged with assault with a dangerous weapon — a pistol — also pleaded not guilty and requested a preliminary hearing. Judge MacDonald continued the hearing because Clair's counsel, Judge Donald Hanni of Youngstown, was unable to be present.

The court this morning scheduled Clair's hearing for 2:30 p.m. Tuesday. He is free under $2,000 bond.

Sheriff Russell J. Van Fossan charged the men in connection with a shooting incident in the early morning of Aug. 5 at Salineville.

Prosecuting Atty. J. Warren Bettis called three witnesses—Joel Needham, 17, and Roy Puckett, 25, both of Salineville, and Clair.

Needham and Puckett testified they were seated with David Thrasher of Salineville in his car about 2 a.m. in an old service station lot along Main St. when Howard's pickup truck went by with three men in it. The truck was following three girls in a car, the witnesses said.

When the car and truck returned a few minutes later, something was shouted between the parked car and truck. The witnesses could not remember what was said. Howard's truck followed the car when it left the lot and started up Foundry Hill.

Puckett, the driver, said someone in the truck fired a shot at the car going up the hill. He said the truck followed him over to Route 644 and someone fired three shots at the car in a chase that continued to Summitville.

"I was scared to death," Puckett said. "Joel was in the back seat and a bullet missed him only that much." Puckett held up thumb and forefinger to indicate two inches. He said he returned to Salineville and reported the shooting to Marshal Gordon Sweeney.

Clair was advised he did not have to answer any questions since his counsel was not present. He told the court his lawyer told him not to say anything. He was questioned by Bettis, however, and said there were two pistols under the front seat of the truck.

He said Howard and he were camping near Salineville and had been wearing the guns and using them in target practice. He said they belonged to Howard and were placed under the front seat "so no one would steal them" when they stopped at a Kensington bar. Bettis dropped the questioning at that point.

Today In Washington

WASHINGTON (AP) — A police-liceman in a patrol car in Seattle, Wash., can ask his dispatcher if a car with out-of-state license plates has been stolen and get an answer from the FBI in Washington within 90 seconds.

It's done with the bureau's new computer which can begin spewing out crime data within 15 seconds from the time a message from a law enforcement agency is fed into its memory banks.

Currently, the FBI says, there are 260,000 active records on file in the computer, including 115,000 on stolen vehicles and license plates, 95,000 on stolen guns, 30,000 on stolen articles and 20,000 on fugitives. The computer is connected to 20 outside terminals which permit local agencies to file their questions directly with the computer.

In operation since Jan. 27, the computer handles about 10,000 queries daily.

WASHINGTON (AP) — "This seems to have been a very good week," said a smiling President Johnson.

Johnson—turning aside from reports of a plunging popularity rating— cited some of the recent items of good news at a speech in the White House rose garden.

They include, he said, agreement with the Soviet Union on the wording of a proposed treaty to stop the spread of nuclear weapons, an international monetary exchange agreement and a cordial meeting with West German Chancellor Kurt Georg Kiesinger.

WASHINGTON (AP) — Newsmen generally performed admirably during this summer's riots in American cities, says Sen. Warren G. Magnuson.

Some television and radio newsmen, however, failed to make sure "their reporting did not inflame an already explosive situation," the Washington Democrat told the Senate.

He said too much attention to "raving rabblerousers" and attempts to "add tension, drama and fury" to broadcast reports were not in the interests of the public or the news industry.

"But over the long haul," Magnuson said, "if we are to recognize defects in our national life and remedy them, there is no alternative to disclosure as complete as the freely competing news media can make it."

10-Day Term Given Driver

A district driver charged with three violations was given a 10-day County Jail term and fined a total of $50 and costs today by Municipal Judge Samuel M. Chertoff.

Edward Elmer Hashman of Coolidge Ave., RD 2, was charged with driving without license plates, having no tail lights on his vehicle and operating an auto without a driver's license.

Hashman told the judge he had traded a stereo record player for the vehicle a few days ago.

Sheriff's deputies on routine patrol said they spotted Hashman about 1:50 a.m. today on Dresden Ave. and followed him to Trentvale St. where he was stopped. The car, according to Deputies Sid Boydston and David Brothers, carried expired 10-day tags.

Hashman, questioned about the driver's license charge, told the judge he never has had a license. He could give the court no reason.

Hashman told Chertoff he recently returned from Florida and is staying with relatives.

Chertoff fined him a total of $50 including court costs, and sent him to the County Jail 10 days, saying the sentence would allow Hashman time to remember why he has no drivers license.

Heart Attack Fatal

MIAMI, Fla. (AP) — Robert King High, 43, mayor of Miami for five terms, died Wednesday of a heart attack. High last year upset incumbent Gov. Haydon Burns for the Democratic nomination for governor but then was defeated by Claude Kirk, first Republican governor of Florida in 94 years. A native of Flat Creek, Tenn., High was first elected mayor in 1957. He was a lawyer.

Man To Face Crash Charge

An East Liverpool area man was cited in one of two area accidents investigated Wednesday by the Ohio Highway Patrol at Lisbon.

Richard Allen Hall, 24, of RD 2 was charged with failing to stop in the assured clear distance after his 1966 sedan, northbound on Route 45, pulled out alongside slow-moving traffic and caused an oncoming auto to leave the highway in order to avoid a collision.

The other car was driven by Joan Jean Plunkett, 38, of West Point. Officers said Hall's car was braked suddenly, causing it to go left of center. The woman's car then veered to the right, striking a mailbox and coming to a halt in a ditch. The accident occurred at 5:10 p.m.

Earlier, two cars collided at the railroad crossing on Route 7 at the north end of Rogers.

Officers said a car driven by Michael D. Atomare, 20, of Columbiana RD 2 was southbound behind a large semi - trailer which had slowed for the tracks when it was struck from behind by a 1961 convertible operated by Jack L. Shaffer, 19, of New Waterford RD 1.

Shaffer was cited for failure to stop in the assured clear distance.

Suit Challenging Club Liquor Law Faces Dismissal

CHARLESTON (AP) — A suit against State Alcohol Beverage Control Commissioner Clarence Elmore, challenging the constitutionality of West Virginia's private club liquor law will be dismissed unless new grounds for suit are not prepared in 30 days.

Kanawha County Circuit Court Judge Frank L. Taylor issued an opinion Wednesday upholding two of five state reasons for dismissal of the United Church Alcohol Action Program suit.

The temperance group contended, among other things, the law contains ambiguous wording in defining a private club.

Judge Taylor ruled that the complaint "does not allege an actual controversy of a justiciable nature between the plaintiffs and the defendant."

Denials Filed By 2 Men On Gun Charges

LISBON — Kelly Howard, 24, Salineville, pleaded not guilty at arraignment Wednesday in Columbiana County Southwest Court on a charge of carrying a concealed weapon.

Judge J. L. MacDonald bound him over to the September Grand Jury after a preliminary hearing and continued his bond of $1,000.

Frederick Clair, 24, East Palestine, charged with assault with a dangerous weapon — a pistol — also pleaded not guilty and requested a preliminary hearing. Judge MacDonald continued the hearing because Clair's counsel, Judge Donald Hanni of Youngstown, was unable to be present.

The court this morning scheduled Clair's hearing for 2:30 p.m. Tuesday. He is free under $2,000 bond.

Sheriff Russell J. Van Fossan charged the men in connection with a shooting incident in the early morning of Aug. 5 at Salineville.

Prosecuting Atty. J. Warren Bettis called three witnesses—Joel Needham, 17, and Roy Puckett, 25, both of Salineville, and Clair.

Needham and Puckett testified they were seated with David Thrasher of Salineville in his car about 2 a.m. in an old service station lot along Main St. when Howard's pickup truck went by with three men in it. The truck was following three girls in a car, the witnesses said.

When the car and truck returned a few minutes later, something was shouted between the parked car and truck. The witnesses could not remember what was said. Howard's truck followed the car when it left the lot and started up Foundry Hill.

Puckett, the driver, said someone in the truck fired a shot at the car going up the hill. He said the truck followed him over to Route 644 and someone fired three shots at the car in a chase that continued to Summitville.

"I was scared to death," Puckett said. "Joel was in the back seat and a bullet missed him only that much." Puckett held up thumb and forefinger to indicate two inches. He said he returned to Salineville and reported the shooting to Marshal Gordon Sweeney.

Clair was advised he did not have to answer any questions since his counsel was not present. He told the court his lawyer told him not to say anything. He was questioned by Bettis, however, and said there were two pistols under the front seat of the truck.

He said Howard and he were camping near Salineville and had been wearing the guns and using them in target practice. He said they belonged to Howard and were placed under the front seat "so no one would steal them" when they stopped at a Kensington bar. Bettis dropped the questioning at that point.

Today In Washington

WASHINGTON (AP) — A police-liceman in a patrol car in Seattle, Wash., can ask his dispatcher if a car with out-of-state license plates has been stolen and get an answer from the FBI in Washington within 90 seconds.

It's done with the bureau's new computer which can begin spewing out crime data within 15 seconds from the time a message from a law enforcement agency is fed into its memory banks.

Currently, the FBI says, there are 260,000 active records on file in the computer, including 115,000 on stolen vehicles and license plates, 95,000 on stolen guns, 30,000 on stolen articles and 20,000 on fugitives. Heart Attack Fatal

MIAMI, Fla. (AP) — Robert King High, 43, mayor of Miami for five terms, died Wednesday of a heart attack. High last year upset incumbent Gov. Haydon Burns for the Democratic nomination for governor but then was defeated by Claude Kirk, first Republican governor of Florida in 94 years. A native of Flat Creek, Tenn., High was first elected mayor in 1957. He was a lawyer.

Man To Face Crash Charge

An East Liverpool area man was cited in one of two area accidents investigated Wednesday by the Ohio Highway Patrol at Lisbon.

Richard Allen Hall, 24, of RD 2 was charged with failing to stop in the assured clear distance after his 1966 sedan, northbound on Route 45, pulled out alongside slow-moving traffic and caused an oncoming auto to leave the highway in order to avoid a collision.

The other car was driven by Joan Jean Plunkett, 38, of West Point. Officers said Hall's car was braked suddenly, causing it to go left of center. The woman's car then veered to the right, striking a mailbox and coming to a halt in a ditch. The accident occurred at 5:10 p.m.

Earlier, two cars collided at the railroad crossing on Route 7 at the north end of Rogers.

Officers said a car driven by Michael D. Atomare, 20, of Columbiana RD 2 was southbound behind a large semi - trailer which had slowed for the tracks when it was struck from behind by a 1961 convertible operated by Jack L. Shaffer, 19, of New Waterford RD 1.

Shaffer was cited for failure to stop in the assured clear distance.

1 Killed, 2 Injured In Pennsylvania Crash

WASHINGTON, Pa. (AP) — A young man was killed and two girls slightly injured Wednesday night when a car and motorcycle slammed together.

David Ammon, 19, of Washington was thrown from his motorcycle and killed when the vehicles collided on Pennsylvania 18 about four miles south of Washington.

Two passengers in the car, Patricial Derauchie, 19, and Marilyn Harris, 18, both of Rt. 1, Windridge, were treated at a hospital and released.

Suit Challenging Club Liquor Law Faces Dismissal

CHARLESTON (AP) — A suit against State Alcohol Beverage Control Commissioner Clarence Elmore, challenging the constitutionality of West Virginia's private club liquor law will be dismissed unless new grounds for suit are not prepared in 30 days.

Kanawha County Circuit Court Judge Frank L. Taylor issued an opinion Wednesday upholding two of five state reasons for dismissal of the United Church Alcohol Action Program suit.

The temperance group contended, among other things, the law contains ambiguous wording in defining a private club.

Judge Taylor ruled that the complaint "does not allege an actual controversy of a justiciable nature between the plaintiffs and the defendant."

10-Month Report Submitted By County's Cancer Service

LISBON — The Columbiana Couny unit of the American Cancer Society provided care-and-comfort service to 37 new cancer patients during the 10-month period which ended June 30.

Mrs. Gwen Gallatin of East Palestine, president, said the unit distributed 13,500 dressings to 13 cancer victims, supplied sickroom items to four and transported 10 patients to treatment centers.

Mrs. Jayne Calhoun, executive director of the local unit, said the society also rendered service to many of the 400 patients on the county cancer register.

The Ohio division's 90 local ACS organizations gave free aid to 5,464 new cancer patients during the 10 months. The units distributed 1,502,014 dressings to 2,551 patients, provided sick room necessities for 1,531, paid for 12,500 nursing calls to 1,234 victims and transported 639 patients for treatment.

In the field of public education, the Ohio division report noted that 839 industrial firms and business places conducted on-the-job lifesaving information programs for 98,119 of their employes.

Mrs. Gallatin said, "These programs encourage employes to have warning signals, and if a signal should last two weeks to go straight to your doctor."

Further details on the society's programs of research, education and service are available at the Columbiana County unit office, 44 Park Ave., Lisbon.

Rockwell Cremated, Burial In National Cemetery Sought

ARLINGTON, Va. (AP) — The racist American Nazi party has turned to a civil liberties group in its bid to bury the cremated remains of slain commander George Lincoln Rockwell in a military cemetery.

Lawrence Speiser, director of the Northern Virginia chapter of the American Civil Liberties Union, said his group has accepted a Nazi request and will seek a court injunction to force the Department of the Army to permit interment of Rockwell's remains in a national cemetery.

The ACLU often has waged civil rights court fights on behalf of Negroes — the primary targets, along with Jews, of Rockwell's racist harangues and tracts.

Rockwell's body was cremated Wednesday after, party spokesmen said, half a dozen cemeteries turned down requests for space in which to bury him. The Army originally granted permission for Rockwell, a former Navy commander, to be buried in Culpeper National Cemetery. But Army troops blocked the burial party from the Virginia cemetery Tuesday when party members refused orders to shed Nazi paraphernalia.

Wednesday's ceremonies contrasted sharply with the graveyard confrontation, when Nazis clashed briefly with the federal troops amid a horde of newsmen, cameramen and curious onlookers.

After the cremation—performed without advance notice at an Arlington undertaking establishment—Rockwell's remains were brought secretly back to the ramshackle home that was his party command post for several years.

On the sprawling grounds surrounding the building, private memorial rites were held by party faithful. Spokesmen said the memorial included playing of a German funeral march, the party's battle song and a funeral anthem, "I Had a Comrade."

Later Matthias Koehl, Rockwell's successor, said an urn containing the remains would be held "in sacred trust" at the headquarters while the party goes to court.

Rockwell, 49, was shot dead last Friday. His former close aide and "propaganda minister," John C. Patler, 29, has been charged with murder.

Pollution killed more than 11,750,000 fish in the United States in a year recently.

Teacher-Board Dispute Closes Florida Schools

CLEARWATER, Fla. (AP) — Public schools in Pinellas County were closed today—just one day after opening for the fall term— as teachers and the school board waited for developments in the dispute that caused 1,928 teachers to resign.

Early today the school board adopted a resolution asking the Florida legislature to call itself into special session to "resolve the current crisis of education in Pinellas County and throughout the state of Florida."

The resolution was similar to one demanded by the Pinellas Classroom Teachers' Association (PCTA), but acceptance by the teachers still was questionable.

The association's executive committee issued a statement after the school board meeting saying "the issue is not completely resolved. Until the final determination is made by the executive board, resignations are still in effect."

The teachers and the school board have tentatively agreed on a new salary scale, but association President Fred Cekau said the new contract was acceptable only if coupled with the resolution calling for a special session of the legislature.

The tentative salary agreement would give teachers salary increases ranging from $440 to $1,035 a year for beginning teachers, depending upon the degree held by the individual.

Resolution To End Draft Due Discussion At Youth Parley

PITTSBURGH (AP) — Resolutions to end the draft, escalate the Vietnam war and exploit Red China's inner turmoil will come under discussions by delegates to the Young Americans for Freedom convention which opens today.

Factions of the conservative, campus-oriented group also say they will seek support and collect money in an effort to induce Gov. Ronald Reagan of California to run for president.

Barry Goldwater, main speaker at the four-day convention, is scheduled to deliver what the Young Americans say is a major policy statement on Vietnam Friday night. William F. Buckley Jr., founder of the Young Americans and editor of The National Review, will make the opening business address Friday.

The Young Americans, which is closed to anyone over 40 and is composed mostly of college undergraduates, came to life in 1960 when a handful of young students gathered at Buckley's family estate in Sharon, Conn.

The organization says it now has 30,000 members, operates on an annual budget of about $40,000 and employs 12 full-time staff members at its Washington headquarters.

This year's convention will be marked by the group's first contest for national chairman. John Sainsbury, 24, a graduate student at St. John's of New York, is seeking to oust Boston lawyer Alan MacKay, 34, who was appointed when his predecessor was drafted in February.

Hanoverton Church Gets Interim Minister

HANOERTON — The Rev. J. Paul Graham, who retires today as associate minister at Salem United Presbyterian Church, has been appointed interim pastor for the Hanoverton United Presbyterian Church. He will preach his first sermon Sunday.

The local pastorate became vacant officially Wednesday when the Mahoning Presbytery had a special meeting at Canfield and released the Rev. James C. George to accept a call to Bessemer United Presbyterian church in Shenango (Pa.) Presbytery. The George family moved to Bessemer today.

The presbytery's ministerial relations committee appointed the Rev. William Woodall of the Leetonia church to be moderator at the Hanoverton church until it obtains a pastor.

Ernst Moser and J. A. Marquis, elder, represented the congregation and Session, respectively, at the Canfield meeting.

Bowling on the green is a popular sport in England and Canada. At one time, it was banned by English monarchs who feared it would divert men from the practice of archery.

15 Due To Give Depositions In Divers' Tragedy

HURON, Ohio (AP)—Some 15 persons with information on the sky diving tragedy in which 16 parachutists lost their lives in a plunge into Lake Erie prepared today to give depositions to an official of the National Transportation Safety Board.

The board announced Wednesday that depositions would be taken by Thomas K. McDill, chief of the Aviation Safety Bureau's hearing and reports division, at Hall Auditorium on the Oberlin Campus campus.

Meanwhile, the Coast Guard continued its search for bodies. Two bodies were recovered after the sky divers parachuted Sunday from a converted B25 Mitchell bomber which was 10 miles off its target.

Since then, in the following three days searchers turned up nothing but some pieces of equipment — including 11 helmets.

The 18 sky divers who made the jump through a cloud bank over Lake Erie thought they were over Ortner Airport in Huron County when they left the aircraft.

Two men were rescued from the lake. Those whose bodies were not recovered have been given up for lost.

New Jail Due For Hancock

NEW CUMBERLAND—Plans for a new three-story Hancock County jail were announced by County Commissioners Wednesday.

The new facility, designed by Valudine A. Curtis and Associates of Toledo, will cost an estimated $360,000.

The present building will be razed and the new jail will be erected on the site, adjacent to the Courthouse.

The cost estimates include furnishings for the first two floors but not the third floor, which will be developed later.

Construction is expected to begin around Dec. 1 and should be completed in June. Curtis' representative will be in charge of construction.

Arrangements have been made to house prisoners in the Brooke and Ohio County Jails while the work is under way.

Jack Evans, commissioners' president, said the new jail is being constructed without increases in local taxes. He said the money has been saved from various budget items through the economy drive staged by the present administration.

A portion of the first floor of the building will be partially underground.

The exterior of the lower floor will be faced with brick while the upper two floors will have precast concrete panels and glass. The building will have a structural steel frame and precast concrete floor and roof.

The building will be connected to the courthouse on the third floor by an enclosed corridor.

The great whale actually is slate gray to black, mottled with white.

Objectives Of Work In 4-H Reviewed By Summer Aide

LISBON — "Helping youth learn attitudes, skills and knowledge to build a satisfying home and family life is the primary objective of 4-H Club work," according to Pearle Hartley, summer 4-H assistant in the Columbiana County extension office here.

She said 4-H is recognized internationally as an isformal education program, and the first line of the 4-H pledge is "I Pledge my head to clearer thinking."

Miss Hartley, a former Peace Corps worker in Africa, said young people are very knowledge-conscious these days—they want to learn. Club members acquire knowledge much beyond the information related to their projects and begin to know themselves, their family and their community, she explained.

She emphasized the importance for the club leader and members to take time to think through and record important things members want to learn in a given program year.

"The project is the core of the 4-H program" she continued. "We see it as a device for achieving progress in the 4-H educational program. It is one of the methods for helping members learn."

Young people or adults interested in learning more about the 4-H program may contact the Cooperative Extension Office at 113 S. Market St.

Midland Hi-Spot Reopening Set Night Of Sept. 8

The Midland Hi-Spot Youth Center will hold its fall reopening Sept. 8 following Midland's first home football game, Mrs. William Spisak, director, has announced.

This year's calendar calls for activities on home game nights only, or following any home scheduled school event. Continuing regular sessions following events will depend upon good attendance, good conduct and sufficient parental help, Mrs. Spisak said.

An annual appeal is being made to any interested individuals, and especially to mothers and fathers of students, to volunteer their help at the center.

Those eligible to attend center functions are Midland High School students, area high school students and Midland residents who attend private schools. Those aged 13-18 may attend and are allowed one outside guest.

Mrs. Spisak said "Midland Day" held under the auspices of the center at Kennywood Park last Wednesday "proved very successful," with two band buses, three chartered buses and many carloads of Midlanders attending.

First Talk At Arab Summit

Egypt, Saudi Okay Plan To Get Out Of Conflict

KHARTOUM, Sudan (AP)—Egypt and Saudi Arabia agreed Wednesday night on a formula to get themselves out of Yemen's civil war amid the first talk at the Arab summit meeting. The possibility of a "political solution" with Israel also was mentioned.

President Gamal Abdel Nasser of Egypt figured in both developments, promising withdrawal of his forces in Yemen and taking what conference sources said was a less belligerent stance toward Israel in a speech at a closed conference session.

In return for the Egyptian troop pullout, Saudi military assistance is to be halted in the five-year-old Yemen civil war that has pit Egypt, the mainstay of the Republican government, against Royalist rebels supported by Saudi King Faisal.

Nasser and Faisal approved a plan calling for the formation of a three-power committee to supervise the phasing out of hostilities. Sudan, Iraq and Morocco were named to the committee and planned to begin work immediately after the windup of the summit meeting Friday.

No date was set for the beginning of the withdrawal of Egyptian troops, who numbered about 40,000 in Yemen until a large contingent was moved out following the Middle East war in June.

Premier Mohamed Ahmed Mahgoub of the Sudan, who served as mediator, said the dispute had been settled "in the interests of purifying the Arab atmosphere of political division."

Most Western observers in the Middle East think withdrawal of Egyptian troops would mean a royalist victory eventually.

Sources at the summit conference said Nasser's speech to the parley called to unify policy to "eliminate Israeli aggression" was moderate is tone. He reportedly told the Arabs they could either surrender or go forward united to seek "military, economic and political solutions."

It was the first time Nasser was reported to have raised the possibility of a political solution.

In Washington, President Johnson examined a peace plan for the Middle East presented to him Wednesday night by an envoy of Yugoslav President Tito, who recently made a swing through Arab capitals.

namese to infiltrate into the south. The big bombers have hit nine times in the zone within five days.

Although reported ground fighting was scattered and inconclusive, headquarters reported troops of the U.S. 25th Infantry Division got into a stiff fight only 14 miles northwest of Saigon Wednesday.

Eight Americans were killed and 44 wounded in a crossfire which cut into the troops and shot up several helicopters.

Four Communists were known dead, but the U.S. Command said there must have been many more casualties.

Troops of the U.S. 1st Air Cavalry Division reported killing 18 Communists in a battle with a Red unit of unknown size on the central coast near Bong Son. One American was reported wounded.

The U.S. Command made the unusual move of issuing a memorandum commenting directly on casualty claims made by North Vietnam. The command normally refused to comment on statements from Hanoi, but the memorandum accused North Vietnam of flagrantly distorting allied battle losses and cited several examples.

Ann Landers

ANSWERS YOUR PROBLEMS

Dear Ann Landers: The letter from the woman who was mad at the jewelry store because of the letter it wrote reminding her that it had "carried her longer than her mother" prompts me to write my first letter to a newspaper.

I work in a collection office and am one of those "terrible" people who writes those "ugly" letters and makes those "insulting" phone calls.

We are willing to make allowances for illness and accidents and unexpected trips out of the city. We even expect people to have a lapse of memory occasionally. We operate on the theory that most people are honest and decent.

Since I've been in this line of work, however, I've learned plenty. I've had people swear at me over the phone, call me unprintable names and hang up on me because I called to remind them that they haven't paid a bill.

When we send people out to the house may sometimes hide and refuse to come to the door. They act as if we are trying to persecute them or take something away from them.

Please, Ann Landers print my letter and let some of America's deadbeats see how they look in the eyes of others. — DISGUSTED.

-:-

Dear Gus: I second the motion. And now may I add a comment? Life would be a lot less complicated if people would stop buying things they can't afford to impress people who don't give a darn.

A Boy's World

Dear Ann: Your column has hit me between the eyes on more than one occasion, but never quite so hard as last week.

You told the wife who complained because her husband was a TV sports nut that everybody is nutty in one way or another. You even said your own husband was a "work nut." Then you counseled the woman to consider herself lucky she wasn't married to a "girlie nut."

Well, Ann, I have news for you. My husband is not a "girlie nut," but I wish he were. I could fight that. He's a "buddy nut."

How does a wife deal with a man who loves to be with "the boys"? It can be a card game, pool, bowling, fishing, hunting, soccer, handball — anything where men get together. If there's no buddy activity he can go to, he'll just sit in a bar and talk to the bartender.

If you can come up with a solution to this you are a genius. Thank you. — BESTED BY THE BOYS.

-:-

Dear Bested: Offhand I can think of a few things a wife can do for her husband that "the boys" can't. She can give him a feeling of pride and importance in a way the boys never can. If more wives would listen to themselves talk to their husbands when they walk in at night they might get a clue as to why the guy would rather be elsewhere.

Confidentially

To Haddituptohere: Kwitcherbellyachin'. Your parents are the ones who should be complaining, not you. They are not "sticking their noses into your business" when they insist on knowing where and with whom you are, and ask that you phone to let them know when you will be later than was agreed upon.

Ann Landers will be glad to help you with your problems. Send them to her in care of The Review, enclosing a self-addressed, stamped envelope.

Anti-Johnson Sentiment Seen Serious In U.S.

BOSTON (AP) — The Christian Science Monitor says there is serious anti-Johnson sentiment in the United States and "much of it is found in the Democratic ranks."

The paper said Wednesday that a survey it took shows that President Johnson "definitely can be defeated" if he runs for reelection in 1968.

In a copyright story by a Washington correspondent, Godfrey Sperling Jr., the newspaper said a state-by-state survey of political writers indicated there are 28 states—with 322 electoral votes—in which the President is "definitely vulnerable" now.

In another 16 states—with 156 electoral votes—he is "possibly" to "moderately" vulnerable.

Only in six states—with 50 electoral votes—was "little" or "no" vulnerability found, the newspaper said.

The Monitor, which describes itself as politically independent, said President Johnson was vulnerable on four points: handling of the Vietnam war; rioting and the rising crime rate; the proposed income surtax and rising cost of living; irregularities in the antipoverty program.

Water is one of the few things in nature that can be used over and over again.

36 Supermarkets Will Open In Pittsburgh Area Sunday

PITTSBURGH (AP) — The jingle of supermarket cash registers grows louder next Sunday.

With a court order keeping the cops away, Giant Eagle and A&P will open a total of 36 outlets in the Pittsburgh district next Sunday as a court review draws nearer on the state's Blue Laws.

In practice, the restriction against Sunday sales has been crumbling—and competition is speeding up the process.

Giant Eagle, which has 30 outlets in the district, will open up ten of them Sunday. A&P will throw open the doors at 26 spots.

Both firms announced the action Wednesday.

"The Pied Piper is playing and everyone is following," said Giant Eagle vice president Irwin Porter, referring to competition.

An A&P official said, "We are opening to protect our interests since others have and will open."

Bert Food, Inc., has gone to the Pennsylvania Supreme Court with an argument saying a 1961 amendment to the Blue Laws deprives the company of "property and liberty" without due process of law. Bert Foods operates Foodland stores in nearby McKeesport and the Beaver County community of Hopewell.

The case is expected to be heard in September.

Dist. Atty. Robert W. Duggan of Allegheny County reportedly had told supermarket owners he intended to enforce Sunday closing.

Then, on Aug. 19, Judge Ralph H. Smith of Common Pleas Court issued an order restraining Duggan from acting pending the outcome of the Supreme Court case.

Kroger, which has 44 stores in the district, opened 20 of them last Sunday, and they will remain open this coming Sunday.

John W. Marsh, a Kroger vice president, said, "While Kroger is generally opposed to Sunday openings, the competitive situation has caused Kroger to make this decision."

The two other big supermarket chains in the district, Loblaw and Thorofare, have made no announcement on Sunday openings.

'I Knew He Was Dead,' Wife Says Of U.S. Marine

PITTSBURGH (AP) — A young wife was on her way to Hawaii to meet her Marine husband ending a hitch in Vietnam. She got as far as the airport.

A voice over the airport public address system called Mrs. Mary Link, 21, to the information desk. A Marine captain approached her.

"As soon as I saw his face, I knew that Ray was dead," Mrs. Link said later.

The captain broke the news—her husband, Raymond, 22, a sergeant, was killed Monday in a Viet Cong raid on his helicopter base near Da Nang.

Captain Edward Conte got the word of Link's death Tuesday night. He left for the Link home in Shaler Township Wednesday morning, and found out Mrs. Link already had left for the Greater Pittsburgh Airport.

He phoned the airport to stop her from boarding the plane.

Ann Landers

ANSWERS YOUR PROBLEMS

Dear Ann Landers: The letter from the woman who was mad at the jewelry store because of the letter it wrote reminding her that it had "carried her longer than her mother" prompts me to write my first letter to a newspaper.

I work in a collection office and am one of those "terrible" people who writes those "ugly" letters and makes those "insulting" phone calls.

We are willing to make allowances for illness and accidents and unexpected trips out of the city. We even expect people to have a lapse of memory occasionally. We operate on the theory that most people are honest and decent.

Since I've been in this line of work, however, I've learned plenty. I've had people swear at me over the phone, call me unprintable names and hang up on me because I called to remind them thay they haven't paid a bill.

When we send people out to the house may sometimes hide and refuse to come to the door. They act as if we are trying to persecute them or take something away from them.

Please, Ann Landers, print my letter and let some of America's deadbeats see how they look in the eyes of others. — DISGUSTED.

-:-

Dear Gus: I second the motion. And now may I add a comment? Life would be a lot less complicated if people would stop buying things they can't afford to impress people who don't give a darn.

A Boy's World

Dear Ann: Your column has hit me between the eyes on more than one occasion, but never quite so hard as last week.

You told the wife who complained because her husband was a TV sports nut that everybody is nutty in one way or another. You even said your own husband was a "work nut." Then you counseled the woman to consider herself lucky she wasn't married to a "girlie nut."

Well, Ann, I have news for you. My husband is not a "girlie nut," but I wish he were. I could fight that. He's a "buddy nut."

How does a wife deal with a man who loves to be with "the boys"? It can be a card game, pool, bowling, fishing, hunting, soccer, handball — anything where men get together. If there's no buddy activity he can go to, he'll just sit in a bar and talk to the bartender.

If you can come up with a solution to this you are a genius. Thank you. — BESTED BY THE BOYS.

-:-

Dear Bested: Offhand I can think of a few things a wife can do for her husband that "the boys" can't. She can give him a feeling of pride and importance in a way the boys never can. If more wives would listen to themselves talk to their husbands when they walk in at night they might get a clue as to why the guy would rather be elsewhere.

Confidentially

To Haddituptohere: Kwitcherbellyachin'. Your parents are the ones who should be complaining, not you. They are not "sticking their noses into your business" when they insist on knowing where and with whom you are, and ask that you phone to let them know when you will be later than was agreed upon.

Ann Landers will be glad to help you with your problems. Send them to her in care of The Review, enclosing a self-addressed, stamped envelope.

Anti-Johnson Sentiment Seen Serious In U.S.

BOSTON (AP) — The Christian Science Monitor says there is serious anti-Johnson sentiment in the United States and "much of it is found in the Democratic ranks."

The paper said Wednesday that a survey it took shows that President Johnson "definitely can be defeated" if he runs for reelection in 1968.

In a copyright story by a Washington correspondent, Godfrey Sperling Jr., the newspaper said a state-by-state survey of political writers indicated there are 28 states—with 322 electoral votes—in which the President is "definitely vulnerable" now.

In another 16 states—with 156 electoral votes—he is "possibly" to "moderately" vulnerable.

Only in six states—with 50 electoral votes—was "little" or "no" vulnerability found, the newspaper said.

The Monitor, which describes itself as politically independent, said President Johnson was vulnerable on four points: handling of the Vietnam war; rioting and the rising crime rate; the proposed income surtax and rising cost of living; irregularities in the antipoverty program.

Water is one of the few things in nature that can be used over and over again.

36 Supermarkets Will Open In Pittsburgh Area Sunday

PITTSBURGH (AP) — The jingle of supermarket cash registers grows louder next Sunday.

With a court order keeping the cops away, Giant Eagle and A&P will open a total of 36 outlets in the Pittsburgh district next Sunday as a court review draws nearer on the state's Blue Laws.

In practice, the restriction against Sunday sales has been crumbling—and competition is speeding up the process.

Giant Eagle, which has 30 outlets in the district, will open up ten of them Sunday. A&P will throw open the doors at 26 spots.

Both firms announced the action Wednesday.

"The Pied Piper is playing and everyone is following," said Giant Eagle vice president Irwin Porter, referring to competition.

An A&P official said, "We are opening to protect our interests since others have and will open."

Bert Food, Inc., has gone to the Pennsylvania Supreme Court with an argument saying a 1961 amendment to the Blue Laws deprives the company of "property and liberty" without due process of law. Bert Foods operates Foodland stores in nearby McKeesport and the Beaver County community of Hopewell.

The case is expected to be heard in September.

Dist. Atty. Robert W. Duggan of Allegheny County reportedly had told supermarket owners he intended to enforce Sunday closing.

Then, on Aug. 19, Judge Ralph H. Smith of Common Pleas Court issued an order restraining Duggan from acting pending the outcome of the Supreme Court case.

Kroger, which has 44 stores in the district, opened 20 of them last Sunday, and they will remain open this coming Sunday.

John W. Marsh, a Kroger vice president, said, "While Kroger is generally opposed to Sunday openings, the competitive situation has caused Kroger to make this decision."

The two other big supermarket chains in the district, Loblaw and Thorofare, have made no announcement on Sunday openings.

Victimized In Own Life

New EEOC Head Hoping To End Subtle Job Bias

WASHINGTON (AP) — The new chairman of the Equal Employment Opportunity Commission, a young Negro who has been victimized by job discrimination in his own life, hopes to eliminate one of the more difficult kinds of discrimination in hiring—the subtle kind.

Clifford L. Alexander Jr., 33, born and reared in New York City's Harlem, said in his first interview as chairman that the commission is faced with "eliminating the complacency over hiring this or that Negro or Mexican-American and then forgetting about it."

He said employment discrimination is "one of the most urgent concerns of our time." He urged employers to look further than their friends, families and old school pals to find qualified personnel and to learn to send recruiters to the many small Negro colleges, not just big ones like Howard University in Washington.

Alexander listed three major areas of work for the commission:

—Using available information supplied by the employers to show employers discriminatory employment patterns of which they may not be aware. Virtually every large employer in the nation was required to file forms several months ago and Alexander said "we now know exactly —in number—their employment pattern."

—Intensified use of the complaint process, which currently has a backlog of about 1,800 cases charging illegal employment discrimination. He urged also more lawsuits to force balking employers to abandon traditional discrimination.

—Making more use of its technical assistance program to help employers start training programs for the chronically unemployed.

Alexander, an aide to President Johnson for four years before being named commission chairman June 27th, said his young organization needs the power to issue cease and desist orders to compel employers to stop discrimination, and more money to enlarge its staff, presently 314 members. Such legislation is before Congress.

Although he spent his early years in Harlem, Alexander's education is far from that of the typical Negro slum dweller. He attended Fieldston School—one of New York's socially prominent private prep schools—on a scholarship. He worked his way through Harvard University as an insurance investigator and graduated cum laude. He holds a law degree from Yale University Law school.

Alexander, who says he has been the victim of job discrimination because of race at least three times—but refuses to discuss the incidents—believes the commission must aim "to eliminate discriminatory employment patterns based on race, sex, color, religion and nationality as soon as possible, with the emphasis on soon."

City's Employes To Get Pay Early

City employes will enjoy one of the earliest paydays in history, according to Auditor Lawence Zollinger.

Zollinger said he and Treasurer Bert A. Dawson will pay employes of the various departments Friday between 1:30 to 4:30 p.m.

It is the earliest payday ever for employes when a holiday falls on Monday, he added.

The pay ordinarily would be drawn on Sept. 5, he pointed out.

Zollinger said the early payday has been possible through the combined efforts of his office, Dawson and heads of various city departments. He said while it resulted in extra work for all concerned there will be considerable advantage to city workers.

The City Hall offices will be closed all day Saturday, Sunday and Monday in observance of Labor Day.

Officers Cite Driver, 67, In 3-Way Crash

A 67-year-old Hancock County man was cited on a reckless driving charge early Wednesday afternoon after a traffic mishap that damaged his auto and two parked cars, police reported.

The collision on St. Clair Ave. 50 feet south of Grant St. at 12:33 p. m. involved a northbound 1956 four-door sedan driven by Ed Brown of Chester RD 1, a parked 1959 convertible of Mrs. Velma L. Reed, 40, also of Chester RD 1, and a parked 1962 model two-door sedan owned by Henry S. Paczek, 56, of 257 W. 7th St., officers reported.

Brown's car struck the rear of the Reed car and shoved it forward into the back end of the Paczek auto, officers said. The woman was driving an auto registered to Laird W. O'Hanlon of Yeager Dr. It was damaged on the left rear fender. The collision also damaged the right front fender of Brown's car and the entire left side of the Paczek auto, officers said.

Mrs. Reed told Patrolman K. J. Montgomery she stopped in a restricted parking zone "for a minute" to run into a nearby home to get milk for her daughter's baby. Then, she said, Brown's upbound car struck her auto in the rear and shoved it forward into the Paczek car. The accident report noted that the Reed car was parked illegally alongside a yellow-painted curb.

Meanwhile, Harold M. McNicol of 228 W. 9th St. reported to police Wednesday that his 1963 two-door sedan was damaged when struck by a hit-skip car about 8:30 p. m. Tuesday while parked on W. 9th St. The collision damaged the left rear bumper of McNicol's auto. He gave police the license number of the hit-skip auto.

Best climatic working conditions are when the temperature is between 60 and 76 degrees, humidity between 40 and 70 per cent.

Probe Opens In Death Of Matron, 74

WEST CHESTER, Pa. (AP)—Police have launched an investigation into what they called the "horrible homicide" beating of a 74-year-old Delaware and Philadelphia society matron.

Mrs. Katherine Thompson Wood was found beaten Wednesday in her secluded home at nearby Pennsbury Township. She was the sister of James Thompson, the Thailand silk magnate who disappeared last March in Malaysia.

Police said Mrs. Wood was hit on the head with a blunt instrument. The body was discovered on a bed.

Two big watchdogs were standing by. An officer said one of the dogs may have been struck by the same weapon that killed Mrs. Wood, but otherwise there was no indication of why they did not prevent the crime.

A domestic reporting for work Wednesday found the body.

Investigators said they have not found the weapon or a motive for the killing.

Mrs. Wood was listed in "Who's Who in Delaware" and the Philadelphia Social Register.

She was married to the late Osburn Cutler Wood, who was the son of Gen. Leonard Wood. Gen. Wood sought the Republican nomination for President in 1920 and was colonel of the Rough Riders in the Spanish American War.

Mrs. Wood and her husband were divorced in 1925.

Probe Opens In Death Of Matron, 74

WEST CHESTER, Pa. (AP)—Police have launched an investigation into what they called the "horrible homicide" beating of a 74-year-old Delaware and Philadelphia society matron.

Mrs. Katherine Thompson Wood was found beaten Wednesday in her secluded home at nearby Pennsbury Township. She was the sister of James Thompson, the Thailand silk magnate who disappeared last March in Malaysia.

Police said Mrs. Wood was hit on the head with a blunt instrument. The body was discovered on a bed.

Two big watchdogs were standing by. An officer said one of the dogs may have been struck by the same weapon that killed Mrs. Wood, but otherwise there was no indication of why they did not prevent the crime.

A domestic reporting for work Wednesday found the body.

Investigators said they have not found the weapon or a motive for the killing.

Mrs. Wood was listed in "Who's Who in Delaware" and the Philadelphia Social Register.

She was married to the late Osburn Cutler Wood, who was the son of Gen. Leonard Wood. Gen. Wood sought the Republican nomination for President in 1920 and was colonel of the Rough Riders in the Spanish American War.

Mrs. Wood and her husband were divorced in 1925.

DEAR HELOISE: Since moths have no season, I have found an easy way to "de-moth" closets.

I partly fill a sock with moth crystals and attach it with a rubber band over the end of the hose of my electric hair dryer. (without the bonnet). Then I put the dryer on the closet shelf and let it run for 10 minutes or so, on cold. NO HEAT whatsoever.

This is much easier than using the vacuum cleaner attachment and can be moved effortlessly from closet to closet.

MRS. FAY HARE.

-:-

I'm going to give you a gold star for that hint!

Here's something else I learned from a vaccum cleaner salesman.

When storing off-season clothing, place them in a garment bag and hang it on the rod in the closet. Then, with the sock of moth crystals tied over the end, stick part of the vacuum hose into the bag. Close the zipper nearly all the way, leaving only enough opening for the hose to go through.

When the hose is put in the "blowing" end of the vacuum, and it's turned on, the bag will puff out like a balloon and collect all the fumes. After a few minutes, all I do is gently remove the wand and hose and finish closing the zipper.

Each garment may be done separately or a full bag at a time.

Real neat and easy.

HELOISE.

DEAR HELOISE: When we break glass that shatters and there are many small pieces, I take a wad of lint from the lint tray in my dryer and use it to wipe up the slivers.

It not only gathers the small pieces more thoroughly than rags or brooms, but can be discarded.

MRS. J. PALMER.

DEAR HELOISE: On days when it looks like rain, I put all my husband's laundered socks on rust-proof hangers and hang them on the clothesline.

Then, if it starts to rain, I can just grab the hangers quickly and get the socks into the house before they get wet again.

LETTER OF LAUGHTER

DEAR HELOISE: Is it true that magnolia blossoms open in the day time and close at night?

Now, don't pull my leg. Let's give, gal.

HELEN.

-:-

As a matter of fact, it is, and I'm not pulling your leg.

If you pluck a branch from your tree with a bud on it, bring it in the house and put it in water. . .it will open slowly. At dusk you will notice that it will close up again. And it makes a little noise (like a click) when it closes. This only works about a day. Most amazing, isn't it?

HELOISE.

DEAR HELOISE: Thought I'd pass this "mess and money saver" along to mothers of small babies:

When I buy baby shampoo and oil, I pour it into the snip-top plastic detergent bottles. Just one or two squirts is the right amount, and no oily, slippery, messy bottle to worry about.

E. K.

DEAR HELOISE: I have a beautiful new nylon slip with gorgeous lace on top, but made the mistake of wearing it with a navy blue knit suit that faded. I cannot get the stains off the slip, even with pure bleach.

Can you help me?

NAME WITHHELD.

-:-

Let me try.

Bleach won't touch it. Don't waste your energy or the bleach.

Grab a wash rag and pour lots of rubbing alcohol soaked rag.

Betcha it'll work. And don't ask me why, but it does.

Officers Report 2 Local Mishaps

No one was injured in two East Liverpool traffic accidents Wednesday night and early today, police reported.

Two cars collided at St. Clair Ave. and Webber St. at 11:42 p.m. Wednesday.

Police reported Richard A. Kontnier, 21, of 1052 St. Clair Ave. was proceeding south and as he turned left onto Webber St. his car was struck from behind by another driven by Julie G. Warren, 32, of the Marshall Apartments. Neither driver was cited.

About 5:15 a. m. today, a city traffic sign and standard were damaged by a backing car.

Gerald C. Fogel, 19, of 583 N. Summer St., East Palestine, told police he was backing in a lot on St. Clair Ave., 75 feet south of Gardendale Ave. and struck a "no parking" sign.

Across Red River At Hanoi

Ferries, Rafts Replace Bombed Supply Carriers

MANILA (AP)—Ferries and bamboo rafts traveling under the cover of darkness have replaced trains and trucks as supply carriers across the Red River at Hanoi since U. S. bombers destroyed the Paul Doumer Bridge on Aug. 11, a Filipino newsman reported from the North Vietnamese capital today.

Amando E. Doronila, diplomatic reporter for the Manila Times, said destruction of the chief rail and transport link across the Red River "created transport difficulties. But lorries, supplies and other vehicles are nevertheless moved across the river under cover of darkness on board numerous ferries and ingeniously improved bamboo rafts."

He said air raids on Hanoi and its suburbs Aug. 11 and 12 and from the 21st to the 23rd "were notably significant in the escalation pattern."

"Selective bombing here could be an American warning to the capital of the bombing terror in store if Hanoi does not cry for peace, but there is no sign that Hanoi morale is suffering from the pressure," Doronila said.

"It is clear that bombs fell largely on civilian dwellings with no military value," Doronila reported. "Five hundred yards from the Doumer Bridge, Hanoi side, bombs dug craters on massive earthen dikes. I saw a long row of frail straw huts at Phuc Tan Street flattened by blasts.

"A brick schoolhouse for grade two pupils is in shambles. The schoolhouse was empty when hit because the children were evacuated earlier.

"At noontime last Aug. 21, missile bombs hit a hospital with 50 beds, damaged three buildings and shattered stained glass windows of the Hanoi cathedral.

"One missile tore into a brick wall and floor, landing in a room for patients. It killed one doctor in the next room, one assistant and injured three persons.

"Aug. 22, bombs fell on populous Hue Street in Hai Ba commercial and residential quarter. A big pile of bricks and splintered wood is grim evidence of the complete wreck of a restaurant, drugstore, hardware shop, trade services office and two private houses."

Record-Setting 204-Pound Squash Shown At Ohio Fair

COLUMBUS, Ohio (AP) — Records, records and more records.

That's been a sign of the Ohio State Fair so far and officials are still hopeful that the most important period of all will be broken — attendance.

But the latest record-breaker is the largest squash ever shown. Three times larger than a basketball, the 204-pound squash was grown by Frank Coon of Ashville.

Also Wednesday, Coon exhibited the largest pumpkin, 59 pounds, while Ernie Purdum of London showed the largest watermelon, 63 pounds.

Wednesday's attendance was 119,007, bringing the seven-day total to 930,449. Officials said they hoped to crack the million mark today. The total attendance, however, is still lagging some 30,000 below the total for the first seven days of 1966.

A hard rain, accompanied by lightning and wind, failed to halt the fun Wednesday night. Fairgoers scattered into tents and buildings — but a jam-packed crowd in the grandstand sat through the hour-long rain as Herb Alpert and his Tijuana Brass went on with the show.

Fairgrounds officials reported there was no major damage as a result of the storm.

The Ohio Agricultural Hall of Fame held it's second annual program honoring Ohio agricultural leaders. Honored Wednesday were Car. R. Arnold, a leader in establishing the Farm Credit Administration; David W. Galehouse, one of the first to further hybrid seed corn, and Harry C. Ramsower, director emeritus of the Ohio Cooperative Extension Service.

The New Vaudeville Band, Herb Alpert and Bill and Boyd will be the main attractions in the grandstand today.

Silver Bonanza

★ ★ ★ ★ ★ ★

May Soon Be Over In U.S.

WASHINGTON (AP) — The silver bonanza may soon be over.

That's what the government experts now foresee in the wake of a more settled market for silver following the price eruption last month.

Some speculators in silver certificates made windfall profits on the sharp rise in silver prices which followed the Treasury Department's abandonment of its policy of selling silver for $1.29 an ounce.

But no one became a millionaire and although there's more profit to be made the experts think the worst of the speculation is over.

The price of silver shot to more than $1.80 an ounce after the Treasury abandoned its $1.29 price in July. But the price is now below $1.70 and the government last Friday sold some for as little as $1.64½ an ounce.

"The bonanza may be short-lived," one official said. "There's going to be plenty of silver to fill the need."

It's now anticipated both in and out of government that the price of silver will range between $1.50 and $1.75 an ounce over the next four to five years.

Inventories of silver users were described as "very fat" by one source and the government itself will pump about 13 million ounces into the economy this month through regular sales and redemptions of silver certificates.

The Treasury will continue to redeem silver certificates—one form of paper money issued between 1929 and the early 1960s—through next June 24 at the rate of $1.29 an ounce. This silver can, in turn, be sold at the market price.

Third Party May Be Formed In Effort To Defeat Johnson

CHICAGO (AP)—A five-day convention of civil rights and peace advocates started today with some delegates considering formation of a third political party to try to defeat President Johnson in 1968.

Leaders of the National Conference of New Politics (NCNP) said the convention would consist of "open and democratic" discussion of the problems of civil rights, the cold war and local political problems.

Some of the nation's leading civil rights and antiwar advocates are scheduled to attend.

They include Dr. Martin Luther King Jr., chairman of the Southern Christian Leadership Conference; Dr. Benjamin Spock, noted baby doctor and critic of the war in Vietnam; Floyd McKissick, chairman of the Congress on Racial Equality (CORE); Rep. Julian Bond of Georgia, and comedian Dick Gregory.

H. Rap Brown, chairman of the Student Nonviolent Coordinating Committee, also was mentioned as planning to attend.

Some delegates to the convention have said they hope to form a third political party for the 1968 presidential elections with King and Spock as candidates.

Others reportedly favor concentrating efforts on local elections and forming a solid coalition between civil rights and peace organizations.

An estimated 2,000 delegates were expected to register by Saturday.

King, who has been cool publicly toward a presidential bid on the proposed NCNP ticket, is slated to deliver the convention's keynote address tonight.

Submits Only Bid

CHICAGO (AP)—The General Services Administration said Wednesday that James E. Pinix of Chillicothe, Ohio, made the only bid on a five-year lease of the former Chillicothe Post Office. He offered a rent of $1,080 a year.

Lausche Urges Senate Action On Tax Boost

WASHINGTON (AP) — Sen. Frank J. Lausche, D-Ohio, urged the Senate Wednesday to take action on the administration's tax-increase proposal before any more appropriations bills are passed.

He criticized the Labor and Welfare Committee for adding $3 billion to an antipoverty measure for which President Johnson sought $2 billion.

Lausche told the Senate that increasing antipoverty funds "merely sharpens the desire of the rioters to get more money out of the federal government."

Police Hunt Gunman In Loan Firm Holdup

CINCINNATI (AP) — Police are looking for a young white gunman who took about $2,300 from a suburban loan company Wednesday after locking a teller in the vault.

Mrs. Katherine Schott told police the bandit entered the Keystone Savings Association office in North College Hill, showed her a gun and demanded money.

It's Cardboard

★ ★ ★ ★ ★ ★

But Like 'House Of Prayer'

NEW YORK (AP) — Cardboard boxes piled high. Hundreds of them, row on row, circling, zig-zagging, dead ends, exists. Printed and plastered with sense and nonsense. Is it a warehouse? A trap?

No, it's a kind of "house of prayer," says the pretty nun in charge, Sister Lenore Navarro. It's also a maze, a web of aisles, blazoned with the sights, anxieties and hopes of the times.

The strange meditation room was set up here at an international Congress on Religion, Architecture and the Visual Arts, giving a hint of the changing attitudes on what makes an appropriate devotional atmosphere today—a "now" church.

It's an odd place, zany, provocative but interpenetrated with faith.

You get a life-like sense of discordance as you wander through those cardboard corridors, also of a throbbing, innate vitality.

"COME ALIVE," blares a splash of red letters arching across a barricade of boxes.

"GET WITH THE ACTION," "GUTS" and then the scenery dissolves into a crowded panorama of faces, troubles, questions, enticements, hopes.

"I should like to speak of God not on the border of life but at its center," reads a quotation from the martyred German theologian Dietrich Bonhoeffer. All around are the images of human tumult, effort and tinseled distractions.

A photograph of a laughing girl appears variously sideways, upsidedown and spinning in circles.

Walking through the "Now" church is like walking through a compressed Times Square with its mixed cries, motion, tawdriness and neon dazzle. Yet it also is interspersed with glimmerings of high purpose and potentiality.

"In so far as the pictures and words are about our world, it's an environment for prayer and reflection," said Sister Lenore, of Catholicism's Immaculate Heart College, Los Angeles. "It's a good place for worship to take place."

The cardboard chapel, arranged in two suites of the New York Hilton Hotel, was fashioned by Sister Mary Corita Kent, professor of art at Immaculate Heart College, with the help of her students.

Patient Shoots Officer In Back At Ohio's Fair

COLUMBUS, Ohio (AP)— A Columbus patrolman was shot in the back at the Ohio State Fair Wednesday by a Columbus State Hospital patient who somehow managed to take the officer's gun from him, police reported.

Patrolman Thomas Aurentz, who was working extra duty, was listed in satisfactory condition at University Hospital.

Police said Aurentz had arrested the patient, Wayne Fant, 44, on an intoxication charge. After being handcuffed, Fant began wrestling with Aurentz and grabbed the policeman's .38 caliber service revolver from his holster, police said.

Fant also was charged with assault with intent to kill. Police said he was visiting the fair with other patients from the hospital.

3 Killed In Viet War

WASHINGTON (AP) — The Defense Department said Wednesday three more Ohioans have been killed in action in Vietnam. They were Army Pfc. Gary Love of Defiance, Navy Lt. (J.G.) Thomas Gilliam of Rocky River, and Navy Constructionman Blair Starkey of Canton.

2 Navy Officers Hurt In Forced Landing Of Jet

COLUMBUS, Ohio (AP) — Two Navy officers were injured when forced to crash land their RA5C Vigilante jet at Port Columbus Wednesday. The plane hit the end of a runway, bounced back into the air and then skidded about 250 feet into a field.

The two-man crew ejected from the cockpit. The pilot, Cmdr. Donald Brady, 45, of suburban Gahanna, and Lt. Donald L. Nesbitt, 29, Columbus, were admitted to St. Anthony Hospital.

A spokesman at the Port Columbus tower said Brady had radioed ahead that trouble had developed in the plane and he was approaching for an 'engine out" landing.

Navy officials said the twin-engine jet was on a routine flight from Sanford, Fla., to North American Aviation here for repainting.

Brady was reported in fair condition with a left leg fracture and other injuries. Nesbitt suffered possible back injuries and was listed in satisfactory condition.

A full- grown ocean sunfish may measure 11 feet and have a weight of 2,000 pounds.

Silver Bonanza

★ ★ ★ ★ ★ ★

May Soon Be Over In U.S.

WASHINGTON (AP) — The silver bonanza may soon be over.

That's what the government experts now foresee in the wake of a more settled market for silver following the price eruption last month.

Some speculators in silver certificates made windfall profits on the sharp rise in silver prices which followed the Treasury Department's abandonment of its policy of selling silver for $1.29 an ounce.

But no one became a millionaire and although there's more profit to be made the experts think the worst of the speculation is over.

The price of silver shot to more than $1.80 an ounce after the Treasury abandoned its $1.29 price in July. But the price is now below $1.70 and the government last Friday sold some for as little as $1.64½ an ounce.

"The bonanza may be short-lived," one official said. "There's going to be plenty of silver to fill the need."

It's now anticipated both in and out of government that the price of silver will range between $1.50 and $1.75 an ounce over the next four to five years.

Inventories of silver users were described as "very fat" by one source and the government itself will pump about 13 million ounces into the economy this month through regular sales and redemptions of silver certificates.

The Treasury will continue to redeem silver certificates—one form of paper money issued between 1929 and the early 1960s—through next June 24 at the rate of $1.29 an ounce. This silver can, in turn, be sold at the market price.

Third Party May Be Formed In Effort To Defeat Johnson

CHICAGO (AP)—A five-day convention of civil rights and peace advocates started today with some delegates considering formation of a third political party to try to defeat President Johnson in 1968.

Leaders of the National Conference of New Politics (NCNP) said the convention would consist of "open and democratic" discussion of the problems of civil rights, the cold war and local political problems.

Some of the nation's leading civil rights and antiwar advocates are scheduled to attend.

They include Dr. Martin Luther King Jr., chairman of the Southern Christian Leadership Conference; Dr. Benjamin Spock, noted baby doctor and critic of the war in Vietnam; Floyd McKissick, chairman of the Congress on Racial Equality (CORE); Rep. Julian Bond of Georgia, and comedian Dick Gregory.

H. Rap Brown, chairman of the Student Nonviolent Coordinating Committee, also was mentioned as planning to attend.

Some delegates to the convention have said they hope to form a third political party for the 1968 presidential elections with King and Spock as candidates.

Others reportedly favor concentrating efforts on local elections and forming a solid coalition between civil rights and peace organizations.

An estimated 2,000 delegates were expected to register by Saturday.

King, who has been cool publicly toward a presidential bid on the proposed NCNP ticket, is slated to deliver the convention's keynote address tonight.

Submits Only Bid

CHICAGO (AP)—The General Services Administration said Wednesday that James E. Pinnix of Chillicothe, Ohio, made the only bid on a five-year lease of the former Chillicothe Post Office. He offered a rent of $1,080 a year.

Potters Have Veteran Backfield, Green Defense

The Review Sports

THURSDAY, AUGUST 31, 1967 EAST LIVERPOOL REVIEW PAGE 17

May Be Tough To Match 9-1 Mark Of Last Year

By TURK PIERCE
Review Sports Editor

"We can't win any more games than we won last year", says East Liverpool High School football coach Bob McNea, referring to the fact that the Potters, 9-1 last season, only play nine games this time around.

Football coaches are the type who would complain if their backfield was the Four Horsemen of Notre Dame and their line Fordham's Seven Blocks of Granite, and McNea is no exception. He speaks pessimistically of the loss of nine starters from his tough 1966 defense that yielded only 52 points, but you get the impression that he is not expecting to lose many, if any, more than the one contest the 1966 squad dropped.

MCNEA has ten lettermen returning, and his entire probable starting backfield will be made up of veterans. Foremost of these is Mike McVay, who is scheduled to start at left half but may play quarterback in some situations. He is a 6-0, 182 pound senior, a co-captain of the team.

Earl Diddle, a 5-8 145 senior, is the probable starting quarterback. He is not as powerful a runner as McVay, but he has been able to connect with long passes. The right half is slated to be junior Jim Musuraca, 5-10, 178. At full will be Bill Jones, a 5-10, 170 senior.

Another letterman halfback is Mike Jackson, who will be the "Monster Man", or roving linebacker on defense. At 5-5, 123 this senior is probably one of the smallest "Monsters" in football, but opponents have learntd that he is able to stop anyone in his vicinity.

OTHER quarterbacks on the squad are junior Dan Cunningham, 5-8, 135, and sophomores Craig Yanni, 5-9, 135, Kim Kemple, 5-9, 135 and Steve Powell, 5-6, 130. Other halfbacks are senior Sam Scott, 5-5, 132; juniors Floyd Cranston, 5-11, 160, Nelson Clark, 5-10, 155, Curtis Jones, 5-8, 150; and sophomores Joe Walker, 5-10, 160, Don Smith, 5-8, 145, Joe Swan, 5-5, 130, Jim Freeman, 5-5, 140, Jim Parson, 5-4, 120, Steve Golden, 5-7, 125 and Rick Merritt, 5-8, 135. Other fullbacks are senior Mike DePasquale, 5-8, 150; juniors Herb Purton, 5-9, 160, Rick Eckles, 5-5, 120, and Dave Smith, 5-10, 140; and sophomores Jack Melvin, 5-10, 156 and Bill Cox, 5-6, 140.

The tight end will be letterman Bruce Christian, a 6-3, 180 senior. The split end job is between two juniors, Tom Chambers, 5-10, 162 and John Johnson, 6-0, 160. Johnson can also play quarterback. Other ends are senior Leonard Yanni, 5-8, 135; juniors Tom Gooding, 5-11, 140 and Bob Pugh, 5-11, 145; and sophomores Ron Brown, 5-8, 135, Don Mack, 5-6, 130, Bill Hoyt, 5-11, 145, Frank Butler, 5-11, 150 and Dean Standley, 5-9, 140.

ONE TACKLE will be junior letterman Stanley Ice, the biggest man on the squad at 6-0, 205. The other tackle spot is up for grabs between junior Don Cochran, 6-1, 180; senior John Stepien, 6-0, 175; and sophomores Jim Jones, 5-11, 195 and Paul Barbuto, 6-1, 185. Other tackles are seniors Marv Kinsey, 6-0, 170, Gary Wagner, 6-0, 165; Joe Atwood, 6-0, 175 and Tim Martin, 5-11, 165; juniors Bruce Brindley, 5-10, 170, Jerry Christian, 6-4, 175, and Keith Burke, 5-11 182; and sophomores Alan Shaffer 5-10, 165, Robert Stoddard 5-8, 165, and Tom Hanselman, 5-9, 165.

Senior lettermen at guard are Bob Jones, brother of fullback Bill, 5-10, 155; co-captain Bill Hopper, 5-9, 154; and Dick Rowley, 5-11, 160. Others are juniors Bruce Blankenship, 5-6, 130, Sam Natalina, 5-6, 140 and John Brandon, 5-9, 140; senior Don Talbot, 5-7, 140; and sophomores Louis Volino, 5-8, 150, Dave Banfield, 5-9, 145, John Haney, 5-10, 155 and Rick Shultz, 5-4, 140.

The center slot is being contested for by seniors Jim Bess, 5-8, 155 and Ray Boyd, 5-9, 165 and junior Denny Brennen, 6-0, 165. Others are senior Jack Linville, 5-9, 160, and sophomore Jim Smith, 5-6, 140.

ON OFFENSE the Potters will use variations of the T, including the slot, plus the I. Both balanced and unbalanced lines will be used, with flankers and men-in-motion. Sweeps will be run to take advantage of the speed of the guards. A tendency to run or pass will depend on the opponent or and the situation, McNea says. The main offense loss from last year is the two fleet halfbacks, Denny Smith and Darrell Herring, though tackles Emanuel Volino and Carl Natalina, guard Don Herrin and split end Pete Carter have also graduated.

The defensive backfield was decimated by the loss of Carter, Natalina, Herring and Dan Bekar, and Volino was a linebacker. Defensive line losses are headed by all - state defensive end Chuck Harris and include Herron and Buzz Arrington.

GROOMED as a defensive specialist this season is senior halfback Jim Andrason, 5-9, 130. In most other cases the players will go both ways. Musuraca and Diddle are safeties, Rowley, Chambers and Johnson are halfbacks, McVay, Bess and Boyd are linebackers, Hopper, Bruce Christian and Bob Jones are ends, Ice, Cochran, Jim Jones and Barbuto are tackles, and Bill Jones and Stepien are middle guards. McNea plans to use a 6-2 or 5-4 defense, the same as last season.

There are 74 boys on the roster as of last count, and a good number of them are sophomores. McNea regards the sophs as a good group collectively, though none are considered ready for varsity stardom at present. One whom McNea does single out is Mack, whom he calls "potentially the best place kicker here for a long time". Mack will handle the kickoffs and may try field goals if the situation dictates. In most cases the Potters will attempt two - point conversions. The punting will be done by McVay, Diddle or Chambers.

MCNEA is pleased with his offense, but regards the defense as a question mark. He says he takes his opponents one at a time, but winces when Cleveland St. Joseph is mentioned. McNea, a native Clevelander, points out that St. Joe's has 2,300 boys in the top three grades and has the benefit of feeding from a strong CYO League.

The Potters ended up 10th in Ohio last year, according to the AP ratings, and lost only to Midland. There are five new foes on the nine - game card for 1967, some of them quite strong, though some of the teams dropped from this year's schedule are quite formidible also. If the defense matures fast East Liverpool could fashion a perfect record, and a winning season should be a certainty.

The complete schedule:

Sept. 8—Cleveland East
Sept. 15—Midland
Sept. 30—Steubenville Central
Oct. 6—Dayton Dunbar
Oct. 14—at Warren Western Reserve
Oct. 20—at Martin's Ferry
Oct. 27—Boardman
Nov. 3—Cleveland St. Joseph
Nov. 10—at Alliance

Pirates Outslug Braves 11-9

Clemente Leads Cepeda In Batting

By BEN OLAN

They're touting Orlando Cepeda for the National League's Most Valuable Player award, but Pittsburgh's Roberto Clemente isn't making it easy for the St. Louis Cards' star to win his first National League batting championship.

Clemente is a three-time winner of the batting crown. Cepeda never has won it, but he's driving toward the top just as the Cards are moving swiftly toward the pennant.

Cepeda collected three hits as St. Louis downed the New York Mets 2-0 Wednesday night. Clemente had two safeties, including a two-run double, that helped Pittsburgh down Atlanta 11-9. In other games, Cincinnati downed Philadelphia 2-1, Los Angeles trounced San Francisco 9-3 and Chicago defeated Houston 4-1.

Clemente's hits enabled him to increase his league-leading batting average one point to .348. Cepeda's three safeties, though, hiked his mark three points to a runner-up .343.

Tim McCarver also starred for St. Louis. He drove in both runs with his 12th homer and a sacrifice fly. Larry Jaster and Ron Willis combined to limit the Mets to four hits.

Willis relieved Jaster after Bob Johnson walked with one out in the ninth inning and retired the next two batters. Rookie Danny Frisella was the losing pitcher. The triumph enabled the Cards to maintain their 10-game lead over second-place Cincinnati.

Matty Alou, the defending batting titleholder, and Willie Stargell also helped the Pirates down the Braves. Alou collected four hits in five tries lifting his average to .328. Stargell walloped a two-run double and his 18th homer.

Home runs by Felipe Alou and Joe Torre had helped the Braves build a 6-4 lead, but Pittsburgh came back in the fourth and regained the lead on Clemente's two-bagger.

Pete Rose drove in the winning run for Cincinnati with a bloop double in the sixth inning that scored Tommy Harper. The blow broke a 1-1 tie. John Briggs homered for Philadelphia's only tally.

Lou Johnson and Ron Fairly each drove in three runs for the Dodgers against San Francisco. Johnson socked a three-run double while Fairly had a two-run homer and a run-producing single.

Don Drysdale, 10-13, picked up the victory for Los Angeles. However, he had to leave the game in the seventh because of an arm injury. Ray Sadecki, 6-6, took the loss.

The Cubs exploded for all their runs on four singles and an error in the sixth inning against Houston.

The Astros led 1-0, but Don Kessinger, Glenn Beckert and Billy Williams hit consecutive singles in the sixth for one run. An infield out, an error and Randy Hundley's single accounted for three more.

Speedy Streak Wins Trot In Two Straight Easy Heats

DU QUOIN, Ill. (AP) — Del Cameron held his two fingers about an inch apart and declared, "I missed being knocked completely out of the race by this much."

Cameron won his third Hambletonian—the premier stake for 3-year-old trotters—Wednesday with Speedy Steak. The victory over 11 others came in successive 2:00 and 2:01 heats before 25,000 screaming fans in the betless race at the Du Quoin State Fairgrounds.

In the first mile heat, Speedy Streak beat Keystone Pride by four lengths, one of the biggest winning margins in the 10 years the Kentucky Derby of harness racing has been in Du Quoin.

"In the back stretch of that heat," Cameron disclosed, "Armbro Harold missed by an inch of locking wheels with me. There was a lot going on behind me at the time and if we had locked, it would have been disastrous. We would have been knocked out of the race. It gave me a scare."

Speedy Streak, barreling along from the outside in the stretch, won the second heat and the trophy by one length over the filly, Speed Model.

Speedy Streak was bought for a record standard-bred yearling auction price of $113,000 by Kenneth D. Owen of Houston, C. F. Gaines of Sherburne, N.Y. and John R. Gaines of Lexington.

The victory was worth $60,098 and boosted Speedy Streak's total earnings to $94,779. He will try to surpass his price tag at Indianapolis next week.

Keystone Pride took second money of $30,049 with a second and third finish. Speed Model, 7-2 was third for $14,423 and Halifax Hanover, 3-4, fourth for $9,615.

The heavily-favored Dazzling Speed, reined by Dancer, was fifth with 4-11 for $6,009.

Ladies Golf Tourney Ends In Tie

Two teams tied for the championship in the Ladies Amateur-Amateur held at the East Liverpool Country Club yesterday.

Playing the best ball of four, using 70 per cent of individual handicap, the team of Mrs. J. N. Nicely, Mrs. W. T. Pomeroy Jr., Mrs. D. E. Beatty and Mrs. Don Schreckengost shot a 36-34-70. Mrs. Robert Patterson, Mrs. M. Burnett, Mrs. Robert Bowersock and Mrs. J. N. Porter fired a 34-36-70.

Tying for third with 76s were teams headed by Mrs. W. B. Laughlin and Mrs. Rick Crable.

Yacht Intrepid To Face Australia's Dame Pattie

NEWPORT, R.I. (AP) — Selection of the 12-meter yacht Intrepid to defend the America's Cup against the Australian challenger, Dame Pattie, brings together two of the world's foremost 12-meter skippers in a rematch of their exciting 1962 duel for the "auld mug."

The best-of-7 competition gets under way Sept. 12.

Emil J. "Bus" Mosbacher of New York was the skipper of the Weatherly which defeated Jock Sturrock on the Australian challenger, Gretel, four races to one.

Sturrock is the second skipper of a challenger ever to win a single race against an American defender. None has ever succeeded in capturing the series in the 116-year history of the yachting classic.

Both Mosbacher and Sturrock will be sailing new boats designed and built specifically for this year's challenge match. Intrepid was designed by Olin J. Stephens of New York, and Dame Pattie is from the design board of Warwick Hood of Sydney.

Ohio State's Gary Cairns kicked 11 of 12 extra points for the Buckeye eleven last fall. He made 5 of 11 field goals, one of which was a Big Ten record 55 yarder against Illinois.

Frank Boynton Wins Ohio Open With 275

CLEVELAND (AP) — Frank Boynton Jr. is $1,800 richer today after winning the Ohio Open Golf Tournament with a nine under par 275 at the Mayfield County Club.

The 31-year-old pro, playing his home course, had rounds of 67-65-74-69 in winning his second straight Open crown and beating runner-up Frank Wharton of Akron by five strokes. Wharton collected $1,000.

Ed Griffiths of Youngstown took third place with a 286 and Dick Rhyan Jr. of Toledo was fourth at 291.

Finishing in a tie for fifth place at 292 were Herman Keiser of Copley, ex-Masters champion, and Bob Wynn of Dayton.

Boynton lost some ground with a 74 in the morning round Wednesday after starting the final 36 holes with a six-stroke lead. Wharton played the morning 18 holes in three under par 68 and was just two strokes off the pace at the lunch break.

The afternoon round was a different story, however. Boynton came back with a two under par 69 while Wharton had a 72.

Potters Have Veteran Backfield, Green Defense

May Be Tough To Match 9-1 Mark Of Last Year

"We can't win any more games than we won last year", says East Liverpool High School football coach Bob McNea, referring to the fact that the Potters, 9-1 last season, only play nine games this time around.

Other tackles are seniors Marv Kinsey, 6-0, 170, Gary Wagner, 6-0, 165; Joe Atwood, 6-0, 175 and Tim Martin, 5-11, 165; juniors Bruce Brindley, 5-10, 170, Jerry Christian, 6-4, 175, and Keith Burke, 5-11 182; and sophomores Alan Shaffer 5-10, 165, Robert Stoddard 5-8, 165, and Tom Hanselman, 5-9, 165.

Senior lettermen at guard are Bob Jones, brother of fullback Bill, 5-10, 155; co-captain Bill Hopper, 5-9, 154; and Dick Rowley, 5-11, 160. Others are juniors Bruce Blankenship, 5-6, 130, Sam Natalina, 5-6, 140 and John Brandon, 5-9, 140; senior Don Talbot, 5-7, 140; and sophomores Louis Volino, 5-8, 150, Dave Banfield, 5-9, 145, John Haney, 5-10, 155 and Rick Shultz, 5-4, 140.

The center slot is being contested for by seniors Jim Bess, 5-8, 155 and Ray Boyd, 5-9, 165 and junior Denny Brennen, 6-0, 165. Others are senior Jack Linville, 5-9, 160, and sophomore Jim Smith, 5-6, 140.

ON OFFENSE the Potters will use variations of the T, including the slot, plus the I. Both balanced and unbalanced lines will be used, with flankers and men-in-motion. Sweeps will be run to take advantage of the speed of the guards. A tendency to run or pass will depend on the opponent or and the situation, McNea says. The main offense loss from last year is the two fleet halfbacks, Denny Smith and Darrell Herring, though tackles Emanuel Volino and Carl Natalina, guard Don Herrin and split end Pete Carter have also graduated.

The defensive backfield was decimated by the loss of Carter, Natalina, Herring and Dan Bekar, and Volino was a linebacker. Defensive line losses are headed by all - state defensive end Chuck Harris and include Herron and Buzz Arrington.

GROOMED as a defensive specialist this season is senior halfback Jim Andrason, 5-9, 130. In most other cases the players will go both ways. Musuraca and Diddle are safeties, Rowley, Chambers and Johnson are halfbacks, McVay, Bess and Boyd are linebackers, Hopper, Bruce Christian and Bob Jones are ends, Ice, Cochran, Jim Jones and Barbuto are tackles, and Bill Jones and Stepien are middle guards. McNea plans to use a 6-2 or 5-4 defense, the same as last season.

There are 74 boys on the roster as of last count, and a good number of them are sophomores. McNea regards the sophs as a good group collectively, though none are considered ready for varsity stardom at present. One whom McNea does single out is Mack, whom he calls "potentially the best place kicker here for a long time". Mack will handle the kickoffs and may try field goals if the situation dictates. In most cases the Potters will attempt two - point conversions. The punting will be done by McVay, Diddle or Chambers.

MCNEA is pleased with his offense, but regards the defense as a question mark. He says he takes his opponents one at a time, but winces when Cleveland St. Joseph is mentioned. McNea, a native Clevelander, points out that St. Joe's has 2,300 boys in the top three grades and has the benefit of feeding from a strong CYO League.

The Potters ended up 10th in Ohio last year, according to the AP ratings, and lost only to Midland. There are five new foes on the nine - game card for 1967, some of them quite strong, though some of the teams dropped from this year's schedule are quite formidible also. If the defense matures fast East Liverpool could fashion a perfect record, and a winning season should be a certainty.

The complete schedule:
Sept. 8—Cleveland East
Sept. 15—Midland
Sept. 30—Steubenville Central
Oct. 6—Dayton Dunbar
Oct. 14—at Warren Western Reserve
Oct. 20—at Martin's Ferry
Oct. 27—Boardman
Nov. 3—Cleveland St. Joseph
Nov. 10—at Alliance

Clemente Leads Cepeda In Batting

By BEN OLAN

They're touting Orlando Cepeda for the National League's Most Valuable Player award, but Pittsburgh's Roberto Clemente isn't making it easy for the St. Louis Cards' star to win his first National League batting championship.

Clemente is a three-time winner of the batting crown. Cepeda never has won it, but he's driving toward the top just as the Cards are moving swiftly toward the pennant.

Cepeda collected three hits as St. Louis downed the New York Mets 2-0 Wednesday night. Clemente had two safeties, including a two-run double, that helped Pittsburgh down Atlanta 11-9. In other games, Cincinnati downed Philadelphia 2-1, Los Angeles trounced San Francisco 9-3 and Chicago defeated Houston 4-1.

Clemente's hits enabled him to increase his league-leading batting average one point to .348. Cepeda's three safeties, though, hiked his mark three points to a runner-up .343.

Tim McCarver also starred for St. Louis. He drove in both runs with his 12th homer and a sacrifice fly. Larry Jaster and Ron Willis combined to limit the Mets to four hits.

Willis relieved Jaster after Bob Johnson walked with one out in the ninth inning and retired the next two batters. Rookie Danny Frisella was the losing pitcher. The triumph enabled the Cards to maintain their 10-game lead over second-place Cincinnati.

Matty Alou, the defending batting titleholder, and Willie Stargell also helped the Pirates down the Braves. Alou collected four hits in five tries lifting his average to .328. Stargell walloped a two-run double and his 18th homer.

Home runs by Felipe Alou and Joe Torre had helped the Braves build a 6-4 lead, but Pittsburgh came back in the fourth and regained the lead on Clemente's two-bagger.

Pete Rose drove in the winning run for Cincinnati with a bloop double in the sixth inning that scored Tommy Harper. The blow broke a 1-1 tie. John Briggs homered for Philadelphia's only tally.

Lou Johnson and Ron Fairly each drove in three runs for the Dodgers against San Francisco. Johnson socked a three-run double while Fairly had a two-run homer and a run-producing single.

Don Drysdale, 10-13, picked up the victory for Los Angeles. However, he had to leave the game in the seventh because of an arm injury. Ray Sadecki, 6-6, took the loss.

The Cubs exploded for all their runs on four singles and an error in the sixth inning against Houston.

The Astros led 1-0, but Don Kessinger, Glenn Beckert and Billy Williams hit consecutive singles in the sixth for one run. An infield out, an error and Randy Hundley's single accounted for three more.

Speedy Streak Wins Trot In Two Straight Easy Heats

DU QUOIN, Ill. (AP) — Del Cameron held his two fingers about an inch apart and declared, "I missed being knocked completely out of the race by this much."

Cameron won his third Hambletonian—the premier stake for 3-year-old trotters—Wednesday with Speedy Steak. The victory over 11 others came in successive 2:00 and 2:01 heats before 25,000 screaming fans in the betless race at the Du Quoin State Fairgrounds.

In the first mile heat, Speedy Streak beat Keystone Pride by four lengths, one of the biggest winning margins in the 10 years the Kentucky Derby of harness racing has been in Du Quoin.

"In the back stretch of that heat," Cameron disclosed, "Armbro Harold missed by an inch of locking wheels with me. There was a lot going on behind me at the time and if we had locked, it would have been disastrous. We would have been knocked out of the race. It gave me a scare."

Speedy Streak, barreling along from the outside in the stretch, won the second heat and the trophy by one length over the filly, Speed Model.

Speedy Streak was bought for a record standard-bred yearling auction price of $113,000 by Kenneth D. Owen of Houston, C. F. Gaines of Sherburne, N.Y. and John R. Gaines of Lexington.

The victory was worth $60,098 and boosted Speedy Streak's total earnings to $94,779. He will try to surpass his price tag at Indianapolis next week.

Keystone Pride took second money of $30,949 with a second and third finish. Speed Model, 7-2 was third for $14,423 and Halifax Hanover, 3-4, fourth for $9,615.

The heavily-favored Dazzling Speed, reined by Dancer, was fifth with 4-11 for $6,009.

Ladies Golf Tourney Ends In Tie

Two teams tied for the championship in the Ladies Amateur-Amateur held at the East Liverpool Country Club yesterday.

Playing the best ball of four, using 70 per cent of individual handicap, the team of Mrs. J. N. Nicely, Mrs. W. T. Pomeroy Jr., Mrs. D. E. Beatty and Mrs. Don Schreckengost shot a 36-34-70. Mrs. Robert Patterson, Mrs. M. Burnett, Mrs. Robert Bowersock and Mrs. J. N. Porter fired a 34-36-70.

Tying for third with 76s were teams headed by Mrs. W. B. Laughlin and Mrs. Rick Crable.

Yacht Intrepid To Face Australia's Dame Pattie

NEWPORT, R.I. (AP) — Selection of the 12-meter yacht Intrepid to defend the America's Cup against the Australian challenger, Dame Pattie, brings together two of the world's foremost 12-meter skippers in a rematch of their exciting 1962 duel for the "auld mug."

The best-of-7 competition gets under way Sept. 12.

Emil J. "Bus" Mosbacher of New York was the skipper of the Weatherly which defeated Jock Sturrock on the Australian challenger, Gretel, four races to one.

Sturrock is the second skipper of a challenger ever to win a single race against an American defender. None has ever succeeded in capturing the series in the 116-year history of the yachting classic.

Both Mosbacher and Sturrock will be sailing new boats designed and built specifically for this year's challenge match. Intrepid was designed by Olin J. Stephens of New York, and Dame Pattie is from the design board of Warwick Hood of Sydney.

Ohio State's Gary Cairns kicked 11 of 12 extra points for the Buckeye eleven last fall. He made 5 of 11 field goals, one of which was a Big Ten record 55 yarder against Illinois.

Frank Boynton Wins Ohio Open With 275

CLEVELAND (AP) — Frank Boynton Jr. is $1,800 richer today after winning the Ohio Open Golf Tournament with a nine under par 275 at the Mayfield County Club.

The 31-year-old pro, playing his home course, had rounds of 67-65-74-69 in winning his second straight Open crown and beating runner-up Frank Wharton of Akron by five strokes. Wharton collected $1,000.

Ed Griffiths of Youngstown took third place with a 296 and Dick Rhyan Jr. of Toledo was fourth at 291.

Finishing in a tie for fifth place at 292 were Herman Keiser of Copley, ex-Masters champion, and Bob Wynn of Dayton.

Boynton lost some ground with a 74 in the morning round Wednesday after starting the final 36 holes with a six-stroke lead. Wharton played the morning 18 holes in three under par 68 and was just two strokes off the pace at the lunch break.

The afternoon round was a different story, however. Boynton came back with a two under par 69 while Wharton had a 72.

Red Sox Win On Yastrzemski's 11th Inning Homer

Twins, Tigers Lose, 1½ Back

By HAL BOCK
Associated Press Sports Writer

The Robinson Rock the swinging melody that guided Baltimore to the world championship last year is in on the American League pennant chase again even though the Orioles are nowhere near the top this season.

Frank and Brooks Robinson, Baltimore's partners in punch, left Minnesota reeling with two straight losses that dropped the second-place Twins 1½ games off Boston's league-leading pace.

Brooks lined a three-run double that keyed the Orioles' 4-3 victory over Minnesota Tuesday night and Frank hammered a two-run 10th-inning homer giving Baltimore a 4-2 decision against Dean Chance Wednesday.

Elsewhere in the pennant race, Boston got an 11th-inning home run from Carl Yastrzemski and nipped New York 2-1. It was the Red Sox' 14th victory in the last 18 games. Tommie Agee lined three key hits as Chicago topped Washington 5-1, and California pushed across two ninth-inning runs that jolted third-place Detroit, 3-2.

In other American League action, Kansas City shaded Cleveland 6-5 in 12 innings.

Chance, 17-10, was making his first start since pitching a no-hitter against Cleveland last week and he was trailing 2-1 until the eighth inning when Bob Allison smashed a pinch home run.

That sent the game into extra innings but not for long. Boog Powell singled with one out in the 10th and then, after Paul Blair was retired, Frank Robinson connected.

It was Robinson's 28th homer of the year and made a winner out of Eddie Watt, who struck out four in two innings of relief.

Yastrzemski, who had been hitless in 18 at bats in the Yankees series, redeemed himself with his 35th home run and beat Al Downing.

Downing struck out 12 batters but Yastrzemski, who entered the game in the eighth inning, snapped the tie in the 10th. The homer gave him the major league lead by one over Minnesota's Harmon Killebrew.

Chicago, which opens a crucial four-game series in Boston tonight, salvaged the final game of a three-game set in Washington, thanks mainly to Agee and Don Buford.

Agee singled and came around on Buford's hit and two infield outs in the first inning, singled again and scored on Buford's triple in the third and then doubled a run home in the seventh.

Fred Klages and Bob Locker combined on the eight-hitter with Klages, who worked the first six innings, getting credit for the victory.

Detroit's Earl Wilson, gunning for his 19th victory, was leading 2-1 and cruising along on a three-hitter against the Angels when he walked Jimmie Hall on four pitches with one out in the ninth.

Bubba Morton, a former Tiger, followed with a double, scoring Hall with the tying run. When Al Kaline fumbled the ball, Morton raced to third. Then Bill Skowron bounced to shortstop Ray Oyler and Morton beat the throw to the plate to score the winning run.

The defeat kept the Tigers in third place, one percentage point back of Minnesota and 1½ games behind Boston.

Danny Cater's fifth hit of the night drove in Kansas City's winning run in the 12th inning against Cleveland. Tony Horton knocked in three runs for the Indians.

UPENDED. Bill Freehan of the Tigers lands on his head after colliding with Bill Skowron (left) of the Angels. Freehan beat out an infield hit and collided with Skowron as he crossed first base. No one was hurt. Angels won game in Los Angeles last night, 3-2. (UPI Telephoto)

Champions Race Slated At Clinton

The strictly stock or "hardtop" type race cars will run their championships at Greater Pittsburgh Speedway on Sunday afternoon, Sept. 3.

Top event will be a 100-lap feature known as the Tri-State Stocker Championships. The event at the Clinton (Pa.) oval will start with time trials at 1 p.m. First of the preliminary races is set for 2:30 p.m.

Because it's an event of championship caliber, top drivers are expected from Ohio and elsewhere in the midwest as well as Pennsylvania.

Greater Pittsburgh will run Sunday afternoons instead of Friday nights for the remainder of the season. The following Sunday afternoon, Sept. 10, a motorcycle championship event will be run.

Steeler Co-Captains

LATROBE, Pa. (AP) — The Pittsburgh Steelers Wednesday named halfback Dick Hoak and linebacker Andy Russell co-captains for the coming National Football League season.

Sandy Koufax tied a major league mark by leading the league in winning percentage three years in a row, 1963-65.

Yesterday's Stars

BATTING—Danny Cater, Athletics, lashed five hits including the game-winner in the 12th inning as the Athletics edged Cleveland 6-5.

PITCHING—Larry Jaster, Cardinals, pitched 8 1-3 innings of shutout ball and won his eighth game with help from Ron Willis in the ninth as St. Louis blanked the New York Mets 2-0.

Houston Shaky On Defense, Passing

By MURRAY CHASS
Associated Press Sports Writer

KERRVILLE, Tex. (AP) — The Houston Oilers are not exactly gushing with talent, still they believe they're on the way up.

"We want to improve speedwise on defense, and I think we've done that," said Coach Wally Lemm, whose team won only three of 14 games last season in the American Football League.

"We have a good offensive line. From tackle to tackle it's probably as good as any offensive line in the league. And our running attack should be very good."

Then there's George Webster, a two-time All-America from Michigan State who was the Oilers' No. 1 draft choice.

"He's going to be a great linebacker," Lemm offered. "He hits hard, he has great speed and he has a great desire to play. We traded away a regular linebacker because we know Webster would be good."

Traded was John Baker, who the loss of defensive end Gary Cutsinger. He reinjured his back and it out for the season.

To compensate for his loss, Lemm has shifted Pat Holmes from tackle to end and moved George Rice into Holmes' spot. Don Floyd is at the other end while Ernie Ladd holds down the other tackle job, hoping for an improvement over last year when a badly injured thumb impeded his effectiveness.

The Oilers also have lost middle linebacker Pete Barnes because of a bad knee, and Lemm went to San Diego with Scott Appleton for defensive back Miller Farr, one of the players Lemm is high on.

Farr joins Bobby Jancik, Jim Norton and W. K. Hicks in the defensive secondary. Behind them are rookies Pete Johns, Larry Carwell, Zeke Moore and Ken Houston.

The interior offensive line that Lemm thinks so much of has Walt Suggs and Glen Ray Hines at the tackles, Bob Talamini and Sonny Bishop at the guards and Bobby Maples at center.

The running attack behind them consists of Hoyle Granger and Sid Blanks with the emphasis on Granger.

"He's one of those we started to use last year when we decided to go with the veterans," Lemm said.

Granger responded by running for 388 yards on just 56 carries for a lofty average of 6.9 yards, the best figure among the league's running backs. Boston's Jim Nance, by comparison, averaged 4.9 yards in breaking the AFL rushing record with 1,458 yards.

The Oilers, however, also have their problems. They're concerned about their pass rush and their passing.

"The pass rush hasn't come as well as we hoped it would, and our passing game is not as good as we've hoped," Lemm said.

One of the problems with the pass rush has stemmed from has been forced to switch Garland Boyette from end to fill that spot. Webster is on one side of Boyette and Dan Brabham is on the other.

Offensively, Don Trull gets his first opportunity to lead the team from the start of the year. Last season he took over from veteran George Blanda midway through the schedule. Lemm, however, is not enchanted with Trull's performance so far.

"The potential is there," the coach said. "He played well the second half of last season, but he's had a little problem with his passing so far this year. He just needs more work."

The Oilers, in general, will need a lot more work if they hope to start penetrating the upper echelon of the Eastern Division.

Winters Passes Well In Workout

MEADVILLE, Pa. (AP) — Sophomore quarterbacks sparkled Wednesday in Pitt's controlled scrimmage.

Frank Gustine Jr. of Pittsburgh connected on a pair of touchdown passes, Chuck Winters of East Liverpool also passed well, and Jeff Barr of Canton, Ohio, ran well.

Nicklaus Edges Sikes In Westchester Open

RYE, N.Y. (AP) — Jack Nicklaus is generally conceded to be the greatest golfer in the world, he is on the road to being the richest and most successful, yet there is one battle he hadn't won.

That's the battle with Arnie's Army.

Big Jack, after pocketing the $50,000 first prize Wednesday in the $250,000 Westchester Classic, insisted that he didn't let the army bug him too much, but he left his listeners wondering.

"Aw, I'm getting used to it—it's really quite comical," Nicklaus said. "I'm out there to play golf. I try to concentrate and ignore them."

The army, with banners and lungs at top mast, was out in force at the Westchester Country Club for the final round of the world's richest event which presented Nicklaus, Palmer and Dan Sikes in the final and featured threesome.

Nicklaus stood off a late rush by Sikes, 36-year-old Jacksonville, Fla., law graduate and Player Committee chairman, to win his fourth tournament of the year by a stroke.

Jack had a 72-hole score of 272, 16 under par, while Siles, who twice pulled out and started home but came back when rain washed out the rounds Saturday and Sunday, was runner-up at 273.

Rallying from three shots back, Sikes caught Nicklaus with successive birdies at the 11th and 12th but fell back after landing in a trap at the 15th and failed to tie it with a bold 15-foot putt that hit the cup and stayed out at the final hole. He collected $30,000.

The rest of the leaders looked like a who's who of golf with Roberto de Vicenzo of Argentina, the British Open king, third at 274; Gary Player of South Africa, fourth at 275 and Palmer, with a birdie at the final hole, fifth at 276.

Palmer's fabled army—a stampeding, yelling pack cut from the cloth of the boisterous New York Mets baseball fans—trampled behind their hero and cheered every swing. They groaned in agony when Nicklaus and Sikes picked up strokes.

Amateur Golf Put Off By Rain, Snow

COLORADO SPRINGS, Colo. (AP) — The nation's best play-for-fun golfers, stymied by rain, wind and flakes of snow Wednesday, tried again today to play the first round of the 67th U.S. Amateur championship over the mountain-shadowed Broadmoor west course.

U.S. Golf Association officials called off the first round Wednesday just as the three-some with defending champion Gary Cowan of Kitchener, Ontario, stepped to the soggy first tee.

Thirteen threesomes, among the 150 players, had sloshed through their 18-hole round before the postponement. The best score was a 71 by Bill Harvey, Greensboro, N.C.

The best nine-hole card of 33 was shot by Fred Beyhmer Jr., Lansing, Mich., on the front side of the 6,946-yard par 35-35—70 layout.

Tournament officials said if weather conditions permit playing 18-hole rounds today and Friday, the tournament will wind up Saturday with 36-holes, rather than 18. The field is cut after the first two rounds to the low 50 and ties.

Ken Lucas (1963-65) holds eight Pitt football records.

WINNER, Eugene Dunaway, 510 Louisiana Ave., Chester, is the winner of the golf tourney held among the employes of Waterford Park Sunday at the new Waterford Golf Club near the track. Dunaway received a trophy from Harry Besselink, pro at the course.

Red Sox Win On Yastrzemski's 11th Inning Homer

Twins, Tigers Lose, 1½ Back

By HAL BOCK
Associated Press Sports Writer

The Robinson Rock the swinging melody that guided Baltimore to the world championship last year is in on the American League pennant chase again even though the Orioles are nowhere near the top this season.

Frank and Brooks Robinson, Baltimore's partners in punch, left Minnesota reeling with two straight losses that dropped the second-place Twins 1½ games off Boston's league-leading pace.

Brooks lined a three-run double that keyed the Orioles' 4-3 victory over Minnesota Tuesday night and Frank hammered a two-run 10th-inning homer giving Baltimore a 4-2 decision against Dean Chance Wednesday.

Elsewhere in the pennant race, Boston got an 11th-inning home run from Carl Yastrzemski and nipped New York 2-1. It was the Red Sox' 14th victory in the last 18 games. Tommie Agee lined three key hits as Chicago topped Washington 5-1, and California pushed across two ninth-inning runs that jolted third-place Detroit, 3-2.

In other American League action, Kansas City shaded Cleveland 6-5 in 12 innings.

Chance, 17-10, was making his first start since pitching a no-hitter against Cleveland last week and he was trailing 2-1 until the eighth inning when Bob Allison smashed a pinch home run.

That sent the game into extra innings but not for long. Boog Powell singled with one out in the 10th and then, after Paul Blair was retired, Frank Robinson connected.

It was Robinson's 26th homer of the year and made a winner out of Eddie Watt, who struck out four in two innings of relief.

Yastrzemski, who had been hitless in 18 at bats in the Yankees series, redeemed himself with his 35th home run and beat Al Downing.

Downing struck out 12 batters but Yastrzemski, who entered the game in the eighth inning, snapped the tie in the 10th. The homer gave him the major league lead by one over Minnesota's Harmon Killebrew.

Chicago, which opens a crucial four-game series in Boston tonight, salvaged the final game of a three-game set in Washington, thanks mainly to Agee and Don Buford.

Agee singled and came around on Buford's hit and two infield outs in the first inning, singled again and scored on Buford's triple in the third and then doubled a run home in the seventh.

Fred Klages and Bob Locker combined on the eight-hitter with Klages, who worked the first six innings, getting credit for the victory.

Detroit's Earl Wilson, gunning for his 19th victory, was leading 2-1 and cruising along on a three-hitter against the Angels when he walked Jimmie Hall on four pitches with one out in the ninth.

Bubba Morton, a former Tiger, followed with a double, scoring Hall with the tying run. When Al Kaline fumbled the ball, Morton raced to third. Then Bill Skowron bounced to shortstop Ray Oyler and Morton beat the throw to the plate to score the winning run.

The defeat kept the Tigers in third place, one percentage point back of Minnesota and 1½ games behind Boston.

Danny Cater's fifth hit of the night drove in Kansas City's winning run in the 12th inning against Cleveland. Tony Horton knocked in three runs for the Indians.

UPENDED. Bill Freehan of the Tigers lands on his head after colliding with Bill Skowron (left) of the Angels. Freehan beat out an infield hit and collided with Skowron as he crossed first base. No one was hurt. Angels won game in Los Angeles last night, 3-2. (UPI Telephoto)

Amateur Golf Put Off By Rain, Snow

COLORADO SPRINGS, Colo. (AP) — The nation's best play-for-fun golfers, stymied by rain, wind and flakes of snow Wednesday, tried again today to play the first round of the 67th U.S. Amateur championship over the mountain-shadowed Broadmoor west course.

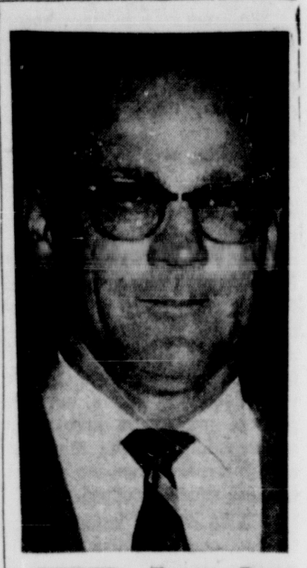
U.S. Golf Association officials called off the first round Wednesday just as the three-some with defending champion Gary Cowan of Kitchener, Ontario, stepped to the soggy first tee.

Thirteen threesomes, among the 150 players, had sloshed through their 18-hole round before the postponement. The best score was a 71 by Bill Harvey, Greensboro, N.C.

The best nine-hole card of 33 was shot by Fred Beyhmer Jr., Lansing, Mich., on the front side of the 6,946-yard par 35-35—70 layout.

Tournament officials said if weather conditions permit playing 18-hole rounds today and Friday, the tournament will wind up Saturday with 36-holes, rather than 18. The field is cut after the first two rounds to the low 50 and ties.

Ken Lucas (1963-65) holds eight Pitt football records.



WINNER, Eugene Dunaway, 510 Louisiana Ave., Chester, is the winner of the golf tourney held among the employes of Waterford Park Sunday at the new Waterford Golf Club near the track. Dunaway received a trophy from Harry Besselink, pro at the course.

Houston Shaky On Defense, Passing

By MURRAY CHASS
Associated Press Sports Writer

KERRVILLE, Tex. (AP) — The Houston Oilers are not exactly gushing with talent, still they believe they're on the way up.

"We want to improve speedwise on defense, and I think we've done that," said Coach Wally Lemm, whose team won only three of 14 games last season in the American Football League.

"We have a good offensive line. From tackle to tackle it's probably as good as any offensive line in the league. And our running attack should be very good."

Then there's George Webster, a two-time All-America from Michigan State who was the Oilers' No. 1 draft choice.

"He's going to be a great linebacker," Lemm offered. "He hits hard, he has great speed and he has a great desire to play. We traded away a regular linebacker because we know Webster would be good."

Traded was John Baker, who the loss of defensive end Gary Cutsinger. He reinjured his back and it out for the season.

To compensate for his loss, Lemm has shifted Pat Holmes from tackle to end and moved George Rice into Holmes' spot. Don Floyd is at the other end while Ernie Ladd holds down the other tackle job, hoping for an improvement over last year when a badly injured thumb impeded his effectiveness.

The Oilers also have lost middle linebacker Pete Barnes because of a bad knee, and Lemm went to San Diego with Scott Appleton for defensive back Miller Farr, one of the players Lemm is high on.

Farr joins Bobby Jancik, Jim Norton and W. K. Hicks in the defensive secondary. Behind them are rookies Pete Johns, Larry Carwell, Zeke Moore and Ken Houston.

The interior offensive line that Lemm thinks so much of has Walt Suggs and Glen Ray Hines at the tackles, Bob Talamini and Sonny Bishop at the guards and Bobby Maples at center.

The running attack behind them consists of Hoyle Granger and Sid Blanks with the emphasis on Granger.

"He's one of those we started to use last year when we decided to go with the veterans," Lemm said.

Granger responded by running for 388 yards on just 56 carries for a lofty average of 6.9 yards, the best figure among the league's running backs. Boston's Jim Nance, by comparison, averaged 4.9 yards in breaking the AFL rushing record with 1,458 yards.

The Oilers, however, also have their problems. They're concerned about their pass rush and their passing.

"The pass rush hasn't come as well as we hoped it would, and our passing game is not as good as we've hoped," Lemm said.

One of the problems with the pass rush has stemmed from has been forced to switch Garland Boyette from end to fill that spot. Webster is on one side of Boyette and Dan Brabham is on the other.

Offensively, Don Trull gets his first opportunity to lead the team from the start of the year. Last season he took over from veteran George Blanda midway through the schedule. Lemm, however, is not enchanted with Trull's performance so far.

"The potential is there," the coach said. "He played well the second half of last season, but he's had a little problem with his passing so far this year. He just needs more work."

The Oilers, in general, will need a lot more work if they hope to start penetrating the upper echelon of the Eastern Division.

Winters Passes Well In Workout

MEADVILLE, Pa. (AP) — Sophomore quarterbacks sparkled Wednesday in Pitt's controlled scrimmage.

Frank Gustine Jr. of Pittsburgh connected on a pair of touchdown passes, Chuck Winters of East Liverpool also passed well, and Jeff Barr of Canton, Ohio, ran well.

Champions Race Slated At Clinton

The strictly stock or "hardtop" type race cars will run their championships at Greater Pittsburgh Speedway on Sunday afternoon, Sept. 3.

Top event will be a 100-lap feature known as the Tri-State Stocker Championships. The event at the Clinton (Pa.) oval will start with time trials at 1 p.m. First of the preliminary races is set for 2:30 p.m.

Because it's an event of championship caliber, top drivers are expected from Ohio and elsewhere in the midwest as well as Pennsylvania.

Greater Pittsburgh will run Sunday afternoons instead of Friday nights for the remainder of the season. The following Sunday afternoon, Sept. 10, a motorcycle championship event will be run.

Steeler Co-Captains

LATROBE, Pa. (AP) — The Pittsburgh Steelers Wednesday named halfback Dick Hoak and linebacker Andy Russell co-captains for the coming National Football League season.

Sandy Koufax tied a major league mark by leading the league in winning percentage three years in a row, 1963-65.

Yesterday's Stars

BATTING—Danny Cater, Athletics, lashed five hits including the game-winner in the 12th inning as the Athletics edged Cleveland 6-5.

PITCHING—Larry Jaster, Cardinals, pitched 8 1-3 innings of shutout ball and won his eighth game with help from Ron Willis in the ninth as St. Louis blanked the New York Mets 2-0.

Nicklaus Edges Sikes In Westchester Open

RYE, N.Y. (AP) — Jack Nicklaus is generally conceded to be the greatest golfer in the world, he is on the road to being the richest and most successful, yet there is one battle he hadn't won.

That's the battle with Arnie's Army.

Big Jack, after pocketing the $50,000 first prize Wednesday in the $250,000 Westchester Classic, insisted that he didn't let the army bug him too much, but he left his listeners wondering.

"Aw, I'm getting used to it—it's really quite comical," Nicklaus said. "I'm out there to play golf. I try to concentrate and ignore them."

The army, with banners and lungs at top mast, was out in force at the Westchester Country Club for the final round of the world's richest event which presented Nicklaus, Palmer and Dan Sikes in the final and featured threesome.

Nicklaus stood off a late rush by Sikes, 36-year-old Jacksonville, Fla., law graduate and Player Committee chairman, to win his fourth tournament of the year by a stroke.

Jack had a 72-hole score of 272, 16 under par, while Siles, who twice pulled out and started home but came back when rain washed out the rounds Saturday and Sunday, was runner-up at 273.

Rallying from three shots back, Sikes caught Nicklaus with successive birdies at the 11th and 12th but fell back after landing in a trap at the 15th and failed to tie it with a bold 15-foot putt that hit the cup and stayed out at the final hole. He collected $30,000.

The rest of the leaders looked like a who's who of golf with Roberto de Vicenzo of Argentina, the British Open king, third at 274; Gary Player of South Africa, fourth at 275 and Palmer, with a birdie at the final hole, fifth at 276.

Palmer's fabled army—a stampeding, yelling pack cut from the cloth of the boisterous New York Mets baseball fans—trampled behind their hero and cheered every swing. They groaned in agony when Nicklaus and Sikes picked up strokes.

Crestview Improved, Could 'Beat Anybody'

Crestview had a 18 record in Dick Scarborough's first year as football coach last year, but 12 of 17 lettermen return and Scarborough is predicting a "pretty good" year in 1967.

"We could beat anybody on our schedule", enthuses the sophomore coach, but he picks Mineral Ridge and McDonald to be the top teams in the Inter-County League, of which Crestview is a member.

The Rebels have two letterman quarterbacks, senior Doug McLaughlin, 155, and junior Dan Unger, 150. Veteran running backs are senior Orval Sword, 170, at full and juniors Chip McConville, 150, and Dave Rankin, 140, at halves.

The end positions are manned by veteran seniors Randy McBride, 210, who may also see action at fullback, and Bob Unger, 165. Tackle lettermen are seniors Chuck Lanzerdorfer, 205, and Tom Grossen, 185. The only letterman at guard is senior Chuck Hamilton, 170, Tim Lindsay, 165, is a junior letterman at center. Will Tucker, 175, is a junior letterman at linebacker.

Others who are expected to see plenty of action are seniors Rich Fittane, a center, Tom Hess, a halfback, and Glen Shaughnessy, a linebacker, and juniors Joe Rhemish and Bob Ward, halfbacks and Gary Hamilton, a guard.

Scarborough hopes to play most of his players both ways. Crestview will use a variety of offenses, including the T and the I, and will be in a basic 4-4 defense.

The complete schedule:
Sept. 8—at Mineral Ridge*
Sept. 16—Southington
Sept. 23—Lowellville*
Sept. 30—at North Lima*
Oct. 7—McDonald*
Oct. 13—at Southern Local
Oct. 21—United
Oct. 28—Western Reserve*
Nov. 2—Greenford*
*Inter-County League games

Mrs. King Favorite In Tennis

FOREST HILLS, N.Y. (AP)—Mrs. Billie Jean King, the best women's tennis player in the world, is a strong favorite to break a six-year drought and bring the United States national championship back to this country in the tournament that began today.

The best available of America's men are just as strongly favored to extend the long dry spell in which they haven't won since Tony Trabert turned the trick in 1955.

Australia, with John Newcombe, Roy Emerson and Tony Roche, owns all three of the top men's seeds and probably the eventual champion.

Emerson, who won the U. S. nationals in 1961 and 1964 and was a beaten finalist last year, is the No. 2 seed to Newcombe, the current Wimbledon champion. Roche is No. 3. Fred Stolle, who won last year, has turned professional.

With Lt. Arthur Ashe, America's best, away on military duty, the only seedings awarded United States males were Clark Graebner, Beachwood, Ohio, No. 7, and Charles Pasarell, Puerto Rico, No. 8.

It's a much brighter picture on the distaff side. Darlene Hard was the last American woman to win the U. S. title, in 1961.

But Mrs. King, the two-time Wimbledon champion and beaten finalist in 1965, will be lacking her two principal rivals, over the last few years, for women's world honors.

Crestview Improved, Could 'Beat Anybody'

Crestview had a 18 record in Dick Scarborough's first year as football coach last year, but 12 of 17 lettermen return and Scarborough is predicting a "pretty good" year in 1967.

"We could beat anybody on our schedule", enthuses the sophomore coach, but he picks Mineral Ridge and McDonald to be the top teams in the Inter-County League, of which Crestview is a member.

The Rebels have two letterman quarterbacks, senior Doug McLaughlin, 155, and junior Dan Unger, 150. Veteran running backs are senior Orval Sword, 170, at full and juniors Chip McConville, 150, and Dave Rankin, 140, at halves.

The end positions are manned by veteran seniors Randy McBride, 210, who may also see action at fullback, and Bob Unger, 165. Tackle lettermen are seniors Chuck Lanzerdorfer, 205, and Tom Grossen, 185. The only letterman at guard is senior Chuck Hamilton, 170, Tim Lindsay, 165, is a junior letterman at center. Will Tucker, 175, is a junior letterman at linebacker.

Others who are expected to see plenty of action are seniors Rich Fittane, a center, Tom Hess, a halfback, and Glen Shaughnessy, a linebacker, and juniors Joe Rhemish and Bob Ward, halfbacks and Gary Hamilton, a guard.

Scarborough hopes to play most of his players both ways. Crestview will use a variety of offenses, including the T and the I, and will be in a basic 4-4 defense.

The complete schedule:

Sept. 8—at Mineral Ridge*
Sept. 16—Southington
Sept. 23—Lowellville*
Sept. 30—at North Lima*
Oct. 7—McDonald*
Oct. 13—at Southern Local
Oct. 21—United
Oct. 28—Western Reserve*
Nov. 2—Greenford*
*Inter-County League games

Mrs. King Favorite In Tennis

FOREST HILLS, N.Y. (AP)—Mrs. Billie Jean King, the best women's tennis player in the world, is a strong favorite to break a six-year drought and bring the United States national championship back to this country in the tournament that began today.

The best available of America's men are just as strongly favored to extend the long dry spell in which they haven't won since Tony Trabert turned the trick in 1955.

Australia, with John Newcombe, Roy Emerson and Tony Roche, owns all three of the top men's seeds and probably the eventual champion.

Emerson, who won the U. S. nationals in 1961 and 1964 and was a beaten finalist last year, is the No. 2 seed to Newcombe, the current Wimbledon champion. Roche is No. 3. Fred Stolle, who won last year, has turned professional.

With Lt. Arthur Ashe, America's best, away on military duty, the only seedings awarded United States males were Clark Graebner, Beachwood, Ohio, No. 7, and Charles Pasarell, Puerto Rico, No. 8.

It's a much brighter picture on the distaff side. Darlene Hard was the last American woman to win the U. S. title, in 1961.

But Mrs. King, the two-time Wimbledon champion and beaten finalist in 1965, will be lacking her two principal rivals, over the last few years, for women's world honors.

Junior Editors Quiz on PETRIFIED TREES

QUESTION: How do trees become petrified?

★ ★ ★

ANSWER: In our picture, Hank is examining a log in the Petrified Forest National Park in Arizona. More than 150 million years ago, the country where Hank stands was covered with swamps and forests of primitive trees (1). As time passed, many trees fell and were carried by flooding rivers and accumulated in shallow lakes. Here they became buried under sediment (2) which gradually turned into sandstone and shale. Meanwhile, ground water penetrated the logs, dissolving the wood away. But the water was rich in minerals such as chalcedony and agate, and these were deposited, cell by cell, in place of the vanishing wood structure, complete even to the growth rings, was left in place of the original wood. With the passing of time, the swamps drained away. Heavy rains dissolved the sandstone, leaving the petrified logs uncovered. Upheavals of the land broke many logs into fragments, and there they are today (3) for Hank to wonder at.

Santiago, Gibson Starting Hurlers In Series Opener

Sports Whirled

By TURK PIERCE
Review Sports Editor

The 1967 baseball season, concluded Sunday, was not a happy one for Pirate fans.

The Bucs, the pre-season choice to win the pennant, were never in first place alone and fell out of contention by June, finishing a sorry sixth with a .500 mark.

Most fans are mystified how a team with so much talent could play so badly. The pitching, of course, was not up to par, especially in the bullpen, where Pete Mikkleson was totally ineffective until he was traded to the Cubs, but the rest of the lineup was solid. But the Pirates did not deliver the key hits, the way a pennant-winner must, and seemed to make errors at crucial times to lose games. So the rallying cry for Buc fans must be "Wait Until Next Year!"

The victory by the Red Sox in the American League was a popular one, as most people root (but don't bet) for an underdog. Coming from ninth to first in one year is a record, and their finish was completely unexpected. Credit must go to rookie Dick Williams, but key players were rookies Mike Andrews and Reggie Smith, who tightened up the defense and contributed timely hitting. Some young pitchers developed to help Boston, also.

The Red Sox victory was popular most places, but not in Las Vegas, where one bookie is reportedly wiped out because $300 was bet on the Boston boys at the start of the season — at 100-1 odds.

As big a disappointment as the Pirates were the Orioles, who also finished sixth, and had a worse won-loss record than the Bucs. The spotty Bird pitching, which jelled during the 1966 World Series, reverted to form, and this year the bullpen could not save the situation.

PIRATE ROOKIE pitcher Jim Shellenback was seriously injured at 3 a.m. Sunday in an auto crash in East Pittsburgh. He suffered a broken leg and assorted other injuries, but will recover. It's too early to tell whether his pitching will be affected.

CHUCK LANDOLFI, who was a second-team All-State halfback at Ellwood City in 1964, has been switched to center on the Notre Dame football team. Landolfi suffered a broken leg while playing freshman football for the Irish and this has hampered his career. Injuries at the center position caused the Notre Dame coaches to make the switch.

DENNIS WUYCIK, Ambridge's fabulous basketball player, will play for the Bridgers again this year, rumors to the contrary. There was talk going around that the 6-5 hoopster would switch to New Castle for this season, since the other two top members of Ambridge's 1966 state championship team, Dick DeVenzio and Frank Kaufman, have graduated. New Castle, even without Wuycik, is the early favorite to win the championship of Section 3, generally the strongest league in the WPIAL.

Another promising Section 3 roundballer, Barry Canterna, has switched schools, from Ellwood City to Farrell. Canterna, who will be a junior this year, is the son of Bill Canterna, ex-Ellwood City coach who was ousted in favor of present mentor L. Butler Hennon, of Wampum fame. The elder Canterna, who has never been happy since being forced to step down by the Ellwood City school board, has established a legal residence in Farrell. Canterna was once an assistant to Farrell coach Eddie McCluskey.

VIC BIANCHI, who is teaching at Midland High this year, will be the head basketball coach at Quigley High, the new Catholic school in Baden. Bianchi was head hoop coach at Coraopolis, and has won a WPIAL Class B title, but left there because of hassles between the school board and the teachers' association.

Ancient Fenway Site Of 1st Game

By MURRAY CHASS
Associated Press Sports Writer

BOSTON (AP) — Boston's Jose Santiago and St. Louis' Orlando Cepeda may share a dinner table tonight, but when Wednesday comes it'll be like the old westerns.

Fenway Park won't be big enough to hold them both in the first game of the World Series, and one will have to get out—Santiago by way of the showers or Cepeda by way of a strikeout or some such harmless maneuver.

The showdown won't come at high noon—it'll be shortly after 1 p.m.—but when it does occur it'll be a very important one because Santiago and Cepeda are very vital to their teams.

Santiago will be Boston's opening game pitcher while Cepeda is the Cardinals' primary slugger.

They are not unfamiliar to each other, these two. Both are from Puerto Rico, Santiago from Carolina and Cepeda from Guaynabo.

"Orlando? I've pitched against him in winter ball," Santiago said after going through a 30-minute workout Monday. "He's a good friend of mine. Maybe I'll take him out to dinner. But I'll be trying to get him out in the game."

At the same time, Bob Gibson will be trying to get the Red Sox out as the Cardinals' starter.

He was given that job Monday by Manager Red Schoendienst, who also named Dick Hughes and Nelson Briles for the second and third games.

Lonborg To Follow

Manager Dick Williams of Boston will counter with 22-game winner Jim Lonborg in the second game and possibly Gary Bell or Lee Stange in the third.

If the Red Sox are to upset the experts and win the Series—just as they upset everyone and soared from ninth to first in the American League this year—those pitchers will have to muffle Cepeda's guns.

National League pitchers did very little muffling during the season, and Cepeda is considered a cinch to be named the league's Most Valuable Player.

After battling for the batting title with a .340-plus average much of the year, the 30-year-old first baseman settled down to a .325 mark, socked 25 homers and led the league with 111 runs batted in.

Santiago, on the other hand, was an unheralded right-hander until the last two weeks of the season.

Then, suddenly, he won three games in five days—two in relief and one as a starter—and was called on by Manager Williams to pitch the opener of the crucial two-game, season-ending series with Minnesota.

He responded with another victory, and Williams reacted by naming him his Series starter.

Santiago 12-4

Over-all this season, the 27-year-old veteran won 12 games and lost four and compiled a 3.72 earned run average.

Gibson, whose right leg was broken by a Roberto Clemente line drive in the middle of the season, recovered sufficiently to record a 13-7 mark with a 2.98 ERA.

The 31-year-old right-hander is the only Series veteran among the Cardinal starters. In St. Louis' 4-3 triumph over the New York Yankees in 1964, Gibson won two games, lost one and set a Series record with 31 strikeouts in 27 innings.

The man Gibson must fear most is Carl Yastrzemski, like Cepeda an overwhelming choice for the MVP award.

In the last two games of the season, the Boston left fielder made it very plain that Fenway Park certainly was not big enough for both him and the Twins, and there never was any question of who was doing the getting out.

In his last six at-bats—two in Saturday's 6-4 victory and four in Sunday's 5-3 triumph—Yaz rapped six hits and drove in six runs, putting the Red Sox into the Series and himself into the role of Triple Crown winner.

He batted .326, drove in 121 runs and slugged 44 homers, the same number as Minnesota's Harmon Killebrew.

Sox Recuperate

Yastrzemski and the rest of the Sox, except Santiago, took Monday off to recuperate from their wild celebration Sunday night.

They returned to Fenway for a scouting report meeting and a 90-minute workout today.

The Cardinals flew into Boston Monday night and had a night's sleep before getting their first look at the park today.

The line-ups the two starting pitchers will face will show nothing new.

Boston will have Jerry Adair, recovered from a Sunday spike wound, at second, Dalton Jones at third, Yastrzemski in left, Ken Harrelson in right, George Scott at first, Rico Petrocelli at short, Reggie Smith in center and Russ Gibson catching.

For the Cardinals, it'll be Lou Brock in left, Curt Flood in center, Roger Maris in right, Cepeda at first, Tim McCarver catching, Mike Shannon at third, Julian Javier at second and Dal Maxvill at short.

After playing here Wednesday and Thursday, the teams take Friday off before continuing in St. Louis Saturday, Sunday, and if necessary, Monday. If needed, the last two games will be played in Boston next Wednesday and Thursday.

Ohio St., Ohio U., Miami Upset In Ohio Football

BY SAM DOBBINS
Associated Press Writer

Coach Woody Hayes' Ohio State Buckeyes have been given notice that the road to recovery could be a long, uphill grind.

The Buckeyes, still smarting from last year's lackluster 4-5 season, were upended 14-7 by Arizona in an upset - minded weekend for Ohio's college football elevens.

Not only did Ohio State have salt rubbed in its wounds.

Ohio University, out to avenge last year's 12-10 loss to Kent State, got knocked off the express route to the Mid American Conference championship by virtus of the Flashes' 21-14 victory over the Bobcats.

The Flashes stopped Ohio U. from taking a commanding lead in the MAC race with Kent ending up on top of the heap at 1-0. The Bobcats now are 2-1 in conference play.

In another upset, Xavier got a one-point lead on Miami and held on for dear life for the final three quarters before clinching a 7-6 victory over the Redskins.

ELSEWHERE, Bowling Green scored in the final period to capture its 10th consecutive victory and fifth straight shutout over Dayton, edging the Flyers 7-0; Memphis State's explosive offense and stingy defense led to a 17-0 triumph over Cincinnati in Missouri Valley Conference play; Toledo's offense rolled up 20 first downs to outscore Marshall 14 - 6 in MAC play; Capital spotted Hiram a touchdown before rebounding to a 22-7 win; Dick Cromwell and Bob Badami each scored two touchdowns as Ohio Wesleyan downed Heidelberg 32-8 in an Ohio Conference game; frosh quarterback Bob Hauser scampered for three touchdowns and went to the air for another as Marietta bombed Kenyon 40-6 in an OC opener for both; flashy Rick Harbold picked up the first three touchdowns to help Muskingum swamp Otterbein 53-7 and Youngstown and Baldwin-Wallace scrambled for nearly a half mile in yardage with the Penguins yielding to the Yellow Jackets 36-33.

The Buckeyes, unable to get an air or ground game rolling, were stymied by Arizona's stingy defense.

"The middle of the Arizona defense was darned good," Hayes lamented after the game in which Ohio State was held to minus four yards in the second half.

OHIO STATE scored first with 4:59 left in the opening period when halfback Dave Brungard took a pitchout from quarterback Gerry Ehrsam, then found Ehrsam in the clear for a seven-yard aerial.

But the Bucks, favored by three touchdowns, were unable to hold back the Wildcat's reserve quarterback, Bruce Lee, who closed out Arizona's scoring in the third period with a nine-yard scamper around end. Arizona got its other score in the second period with halfback Wayne Edmonds going the final yard.

The sophomore-packed Buckeyes also were plagued with first-game jitters, fumbling four times, losing two. It was Ohio State's third opening game loss under Hayes' regime.

Ohio University and Kent tangled in a regionally aired telecast with four pass interceptions pulling the cork out of the Bobcat attack.

Bobcat drivers were thwarted three times in the final quarter as Kent State defenders snatched three Ohio U. aerials. The Flashes also pulled down a stray bomb on their own 16-yard line with 11 seconds left in the game.

Bobcat quarterback Cleve Bryant tossed a 22-yard pass to Jay Maupin to open the scoring but Kent dominated play in the second half, scoring twice.

Xavier upended Miami on Tim Gramke's extra point kick as both teams pushed across their only touchdowns in the opening period.

Halfback Bill Waller bulled over from one yard out and Gramke kicked the big point to cap Musketeer scoring while Miami marched 79 yards in 11 plays with fullback Don Wade getting the TD. The kick failed.

Rounding out the weekend, Wittenberg overran Susquehanna 63-0; Wooster socked Mount Union 21-6; Bethany bombed Adelbert (Western Reserve) 46-3; Denison defeated Washington (Mo.) 9-3; Carnegie Tech sank Oberlin 28-14; John Carroll rolled past Washington & Jefferson 19-6; Allegheny shut out Case 8 - 0; Alma (Mich.) outscored Defiance 34-3; Waynesburg (Pa.) belted Ohio Northern 48-13; Akron blanked the Quantico Marines 20-0; Ashland Central State outlasted Findlay 14-13; and Bluffton dumped Wilmington 36-8.

Campbell Shoots For All-America

UNIVERSITY PARK, Pa. (AP) — Bob Campbell, the first sophomore since Lenny Moore to lead a Penn State football team in rushing, is frank.

He wants to be an All-America.

And he's starting to build up some impressive credentials, trying to reach that lofty goal in his junior year.

After two games, Campbell sports a 7.3-yard rushing average, a 48.9-yard punting average and a 38-yard kickoff return mark, all among the country's best.

"Campbell is a great all-around back and can do almost anything," said Coach Joe Paterno.

"I don't think he has any limits", adds backfield coach George Welsh, the former Navy great.

In two games, Campbell has accounted for 388 yards by various means and his 50-yard scamper set up the first touchdown last week as Penn State shocked Miami, Fla., 17-8.

George Welsh, star quarterback at Navy 1953-55, is the offensive backfield coach at Penn State.

Oak Glen Reserves Win 25-8

The Oak Glen reserve football team ran its record to 2-0 yesterday with a 25-8 triumph over Weirton Madonna.

Larry Neptune scored twice for the Golden Bear reserves, on a 55-yard run and a 65-yard kickoff return. Bob Coleman scored when he ran back a recovered fumble 12 yards and Ron Cornell took a 35 - yard scoring pass from Vic Reed. Reed kicked the lone extra point.

Oak Glen Harriers Win Opener

The Oak Glen cross-country team opened its season yesterday with a win over Follansbee, 23-37.

The meet was run over the Golden Bears' new 2.2 mile course, so Bill Ferguson of the home team set a course record when he covered the distance in 14.29. He was followed by John Martin (F), Ed DeBaco (F), Rich Jones (0), Dave Shilling (0), Bill Walls (0), Frank Krzys (0), Mike Moninger (0), Jack Porter (0) and Lou Dailey (F).

Vince Monseau coaches the Oak Glen harriers.

Dark Says Tribe Needs Bullpen Strengthening

CLEVELAND (AP) — Alvin Dark has indicated that one of the first tasks to receive his attention as manager of the Cleveland Indians will be strengthening the bullpen.

Dark said Monday after he had signed a two-year contract as the Indians' manager succeeding Joe Adcock, that the biggest change he has seen in baseball is the importance of the bullpen.

He cited relief pitcher Stu Miller as the man who won the National League pennant for the San Francisco Giants in 1962 when Dark was their manager.

"All of your pennant winners have a stopper," Dark continued. "In 1962 we had Miller and last year the Dodgers had (Phil) Regan.

"It used to be that a pitcher who couldn't be depended upon was used in relief, but that isn't so today. The theory is, now, that you hope your starter can give you seven strong innings and then have your bullpen finish up."

The bullpen has been one of the Indians' weaker points for a number of years.

Another task that will get early attention from Dark and General Manager Gabe Paul is finding a replacement for pitching coach Clay Bryant, who has been offered a managing job in the Cleveland organization.

Salary was not discussed at Monday's news conference at which Dark was announced as the new manager of the Tribe, but the former skipper of the Kansas City Athletics described his contract as "the best I ever had." He hinted at a bonus arrangement, saying, "it could turn out to be better."

Winners Listed In Clubs Shoot

Ray (Sonny) Thompson of Lisbon won the shoot sponsored by the Columbiana County Fish and Game Association Sunday on the Elkton Rd.

George Hercules of East Liverpool was runnerup. Other winners were Gary Tolson of Salineville, Class A; Dale Rufener of Wellsville, Class B and John Wilson of East Liverpool, Class C.

Doubles champion was Gary Tolson, who broke 39 of 50 targets, thrown two at a time. The women's champion was Miss Maggie Marsh, formerly of Philadelphia and now residing at Mary Patterson Memorial.

Some 3,200 targets were thrown, a record for the club.

Thompson broke 48 out of 50 and Hercules 46 of 50. The Class A championship was decided in a shootoff between Hercules and Tolson, who each broke 46 of 50 targets in the first shoot. Tolson was the only entrant to receive two trophies. Rufener, the Class B champion, was competing only for the third time.

Shoots are held weekly on Wednesdays and Sundays at the range.

Curtis Cokes Retains Welterweight Crown

OAKLAND, Calif. (AP) — Proving convincingly his right to the world welterweight boxing championship by stopping Charley Shipes in the eighth round, Curtis Cokes says he may give lightweight king Carlos Ortiz the next shot at the crown.

Cool and devastating, the 30-year-old Cokes knocked Oakland's Shipes down in the fourth and sixth rounds Monday night before referee Jack Downey called a halt after one minute and 37 seconds of the eighth when Shipes went down the second time in the round.

"I didn't go for a knockout, I was trying for a decision," Cokes explained in the same calm manner which marked his fight in the Oakland Arena.

"I figured I got behind in the first couple of rounds and tried to pick it up."

The champion, from Dallas, Tex., who weighed the same 145 as did Shipes, first decked the Californian in the fourth with a right to the head followed by a left.

"When I nailed him for the first knockdown, I felt then I could handle him," Cokes declared.

Asked about future plans, he said manager Dave Lord was considering a bout against Ortiz in Puerto Rico. Lord quickly added the price would have to be right.

At the same time promoter Don Chargin of Oakland and Los Angeles said he has proposed either an over-the-weight bout in Oakland against middleweight Andy Heilman or a title shot against Indian Red Lopez of Los Angeles.

Sophomore Potters Top Weirton 13-0

The sophomore Potters football team won its second game of the season at Weirton yesterday, topping the Weirton reserves 13-0.

Rick Merritt scored on a 60-yard pass from Craig Yanni and Jack Melvin ran the extra point for the first score. Jim Parsons ran 25 yards for the final tally. Merritt, Melvin and Parsons were the leading rushers.

Lou Volino played a fine game at linebacker and offensive guard. Defensive ends John Haney and Frank Butler anchored a solid defensive effort by the team.

USC Trojans Top College Poll

By RON RAPOPORT
Associated Press Sports Writer

Southern California became the new tenant in the room at the top of The Associated Press college football poll this week, replacing Notre Dame, whose lease suddenly ran out.

The Trojans, who added an impressive 21-17 victory over Michigan State last Saturday to one over Texas the week before, moved from second to first as the Irish, upset 28-21 by Purdue Saturday, fell from first to sixth.

Southern California picked up 20 first-place votes from the writers and broadcasters who voted and gathered a total of 428 points, counted on the basis of 10 for a first-place vote, nine for a second etc.

Houston, which clobbered Wake Forest 50-6 Saturday, advanced from third to second place, 39 points behind Southern California. The Cougars were named first on 10 of the 46 ballots, but appear to have been hurt in the voting by the three-year probation imposed oy the NCAA in 1966 for recruiting violations.

One Texas voter didn't list Houston anywhere on his ballot because of the probation, which prohibits the club from appearing in a televised game or in a postseason bowl.

UCLA, with six first-place votes, climbed from fourth place to third, 21 points behind Houston. The Bruins crushed Washington State 51-23 Saturday.

Purdue gathered nine first-place votes and jumped from 10th place to fourth on the strength of its triumph over Notre Dame. The Boilermakers are only 14 points behind UCLA.

Georgia, which beat Clemson 24-17, remained in fifth place and was named No. 1 on one ballot. Following Notre Dame is seventh-place Nebraska, which beat Minnesota 7-0 Saturday.

Colorado, idle Saturday, fell from sixth place to eighth and Alabama remained in ninth place after beating Southern Mississippi 25-3.

The only new team in the poll is Texas Tech, which replaced Texas by beating the Longhorns 19-13. Texas was eighth last week.

The Top Ten, with first-place votes in parentheses and points on a 10-9-8-etc. basis:

1.	Southern Cal (20)	428
2.	Houston (10)	389
3.	UCLA (6)	368
4.	Purdue (9)	354
5.	Georgia (1)	293
6.	Notre Dame	165
7.	Nebraska	141
8.	Colorado	114
9.	Alabama	73
10.	Texas Tech	47

Position By Position Cards Stronger Team

By JACK HAND
Associated Press Sports Writer

BOSTON (AP) — The cold, unblinking eye of the computer gives the St. Louis Cardinals the statistical edge over the upstart Boston Red Sox in batting, pitching and man-to-man comparisons at most positions.

The same chilling statistics do not take into account Boston's dramatic surge from ninth to first in one season and the Cardinals' cakewalk to the pennant in a National League that was supposed to be well-balanced.

Except for Carl Yastrzemski in left field and Rico Petrocelli at shortstop, the Cardinals appear to have an edge at every position going into the World Series opening Wednesday at Fenway Park. Third base could be a standoff, depending upon the whim of Dick Williams, the Boston manager who shifts lineups by hunch with a magic touch.

Let's start with the pitching, for that is the department that usually decides a short series. In the best-of-7 competition, Manager Red Schoendienst already has announced he will use Bob Gibson, Dick Hughes and Nelson Briles in the first three games. All are right-handers.

Steve Carlton, a regular lefty starter, would be available for a fourth game but the Redhead might want to go right back to Gibson, his ace and 1964 Series hero, in the fourth game to be sure of getting a maximum three starts from him if the Series goes the route.

The bullpen crew of Al Jackson, Jack Lamabe, Larry Jaster, Ray Washburn, Joe Hoerner and Ron Willis complete a strong staff.

Williams will open with Jose Santiago, a Puerto Rican who has alternated between starting and relief throughout his career, and will follow with Jim Lonborg, the 22-game winner who pitched Sunday's pennant clincher.

Gary Bell probably is the best bet for the third game with Lee Stange a possibility. The big man in the Boston bullpen is John Wyatt who won 10 games and appeared 60 times. Stange and Dan Osinski are the others who figure but Sparky Lyle's sore arm leaves the club without a regular lefty.

Around the infield, the Cardinals have the edge at first base with Orlando Cepeda getting the call over George Scott and Julian Javier over either Jerry Adair or Mike Andrews at second.

Rico Petrocelli of Boston is a standout over Dal Maxvill at shortstop but third is a tight fit between the Cards' Mike Shannon and Boston's Dalton Jones, both good men with the bat. Williams seldom used Joe Foy, the regular third baseman at the start of the year.

Yastrzemski, everybody's best bet for Most Valuable Player honors in the American League, must be ranked over any left fielder although the Cards' Lou Brock combines speed and power, and carried the club in early season.

Curt Flood of the Cards has to be the center fielder over rookie Reggie Smith of the Sox although Flood has been having trouble throwing since a mid-season injury and Smith had a good second half after a slow start.

Roger Maris, both at bat and in the field, has a wide edge in right field over either Ken Harrelson or Jose Tartabull. Maris' backup men, Bob Tolan and Alex Johnson, rate on a par with Harrelson and Tartabull.

Catching is another big plus for St. Louis. Tim McCarver, pressing Joe Torre for the role of No. 1 catcher in baseball, has been an inspirational leader all season and hit .295 with 14 homers and 69 runs batted in. None of the Boston catchers can come close.

Russ Gibson, who knocked around the farm system for 10 years, is a good-catch-no-hit man and Elston Howard has helped mostly by steadying the pitchers with his experience. Ellie has not done much at bat.

The oddsmakers who have established the Cards as favorites have weighed all the statistics.

They can't tally the great unknowns: Can the Cards get back in stride after an early clinching? Will the Red Sox momentum carry over into the Series? Or will the nerve-wracking tension of those final days take its toll on the tired Red Sox?

Red Sox Attendance Doubles

By The Associated Press

The excitement of a pennant race helped the Boston Red Sox accumulate the largest increase in attendance in major league baseball this season.

The Sox, who drew 811,172 as ninth-place finishers in 1966, attracted 1,692,339 while winning the pennant this season. The increase was 881,167 as Boston better than doubled last year's attendance.

Boston's boost helped the American League to a total attendance of 10,883,905, an increase of 717,167.

In the National League, the Los Angeles Dodgers, who tumbled from first place to eighth, also took a severe drop at the gate. Los Angeles' attendance fell off by almost one million customers. The Dodgers drew 1,-663,599 this season compared to 1966's 2,617,029.

St. Louis, the National League champion, was the only major league team to go over the two million mark. The Cardinals attracted 2,100,838.

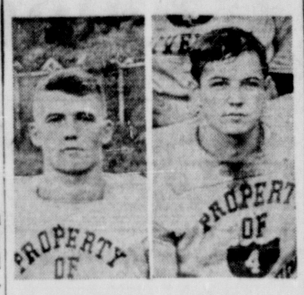
Over-all attendance for the majors was off from 25,182,209 in 1966 to 23,777,866 this season.

Yastrzemski To Receive $100 G Pact

BOSTON (AP) — Carl Yastrzemski, the Triple Crown winner who led the Boston Red Sox to the American League pennant, reportedly is in line for a $100,000 salary next year.

Dick O'Connell, vice president of the Red Sox, made Yastrzemski the offer in the club's dressing room after the pennant-winning game Sunday, Boston Globe sports writer Cliff Keane said today.

Keane said Carl "loved it" and the two are "settled for the 1968 season."



DIDDLE JACKSON

Earl Diddle Back Of Week For Potters

Earl Diddle, who played what coach Bob McNea called the best game of his career, was chosen as the offensive back of the week for the East Liverpool Potters after a review of the films by the coaching staff.

Diddle was cited for his fine direction of the team, his running, faking, and his first pass reception of the season. The Potter quarterback gained 34 yards rushing, hit 5 of 7 passes and his one reception covered 45 yards.

Defensive back of the week was Mike Jackson, who called a flawless defensive game and was outstanding on pass defense.

John Stepien was honored as outstanding offensive lineman. McNea said he was the most consistent blocker.

Defensive lineman of the week was Don Cochran, who was cited for making the least mistakes of any defender.

Buckpasser Retired

NEW YORK (AP) — "His greatest race? I would have to say the 1966 Arlington Classic. But the Flamingo of 1966, that will go down as his most famous race."

It was Eddie Neloy, trainer of millionaire Buckpasser, talking a few hours after owner Ogden Phipps announced the retirement of the popular 4-year-old son of Tom Fool and Busanda.

The colt, famous for his come-from-behind victories, was syndicated for a record $4.8 million last spring. He'll stand at Bull Hancock's Claiborne Farm at Paris, Ky.

In the Arlington Classic, Buckpasser met the best of the year's 3-year-olds and hung up a world record of 1:32 3-5 for one mile.

"Yes, that was his greatest race in my opinion although he had many more," Neloy added.

"But the race everybody will remember most was the Flamingo."

In that 1⅛-mile race at Hialeah Park, Buckpasser had taken the lead in the stretch but surrendered it to Abe's Hope. He apparently was a beaten horse trailing by nearly two lengths with only 70 yards remaining.

Then, with Braulio Baeza using all of his riding ability, Buckpasser lifted himself with one final desperate effort and won by the narrowest of margins.

American To Enter Race Field

CHARLOTTE, N.C. (AP) — American Motors, smallest of the Big Four automakers and pioneer in the U.S. "compact" field, will go racing next year with its sporty new Javelin.

Victor Raviolo, group vice president and the man responsible for the Lincoln-Mercury effort in the old Mexican Road Race, will be in charge of the program.

The AMC entry will be in the 1968 Trans-American series, dominated this year by factory teams of Cougars, Mustangs, Camaros and Dodge Darts. The series is part of the Sports Car Club of America's burgeoning road racing program, but there has been talk that NASCAR, biggest of the stock car sanctioning bodies, may eventually set up a "baby" Grand National division for these small but powerful machines.

Orioles Tab 3 New Aides

BALTIMORE (AP) — The Baltimore Orioles named three members of their own organization today to be coaches for the American League baseball club in 1968.

Harry Dalton, director of player personnel, said George Bamberger would serve as pitching coach, Earl Weaver as first base coach, and Vern Hoscheit would work in the bullpen.

They replace Harry Brecheen, Gene Woodling and Sherm Lollar, who were fired last week when the Orioles announced that Manager Hank Bauer would be retained in 1968 for the second year of his two-year contract. Coach Billy Hunter also was retained.

Negroes May Shun Olympics

SAN JOSE, Calif. (AP) — There is a chance U.S. Negro athletes will decide to boycott the 1968 Olympic Games, Negro track star Tommie Smith said Monday.

Smith, a sprinter who owns or shares nine world records, said whether Negro athletes decide to sit out the games probably will be influenced "by the events which occur in our society.... from now until the games."

He said that "if such a boycott is deemed appropriate, then I believe most of the black athletes will act in unison.

"I have not made any precise open appeals to black athletes to boycott the games. I, as an individual, cannot tell another black competitor that it is his duty to forget a goal he has sought for himself," he said.

Rebel Members Of His Own Party

British Chief Faces New Political Embarrassment

SCARBOROUGH, England (AP) — Plagued by the recurrence of an old spy scandal and his foreign secretary's noisy dispute with newsmen, Prime Minister Harold Wilson faced more political embarrassment today at the hands of rebel members of his own Labor party.

A long feud over the government's stern management of Britain's economic crisis could boil into a major row when Chancellor of the Exchequer James Callaghan asks party endorsement for Wilson's wage-price freeze and other deflationary measures.

Wilson's government is under no obligation to take orders from Labor party conventions but an adverse vote could damage the prime minister's prestige just when he and Callaghan feel sure that economic recovery, lower living costs and higher output are within sight.

Right now, unemployment has reached nearly 600,000, a 27-year peak, and is expected to go higher. A revolt by left, right and center Labor factions appeared certain since leaders of big unions controlling the votes of millions of members already have resolved to protest Wilson's stiff economic medicine.

The party rebels are asking for an end to deflation, which they say has weakened the nation's economy and worsened its overseas competitive position. They want further cuts in military spending overseas, an extension of government control over investment at home and abroad and a return to Labor's longtime commitment to insure full employment.

Another of Wilsons problems centered on the exuberant Foreign Secretary George Brown, who got himself involved in a noisy hassle with newsmen about midnight Monday. Brown complained bitterly that photographers have been plaguing his wife and himself.

The incident was the latest in a series involving Brown at home and abroad in recent months and some observers suggested that it raised again the question of Brown's political future.

Fire Prevention Event Outlined In District Meeting

The program for the annual district observance of National Fire Prevention Week was outlined Monday night when representatives of seven area fire departments met with the Chamber of Commerce safety committee at the Ohio Valley Gas Co. service center in Glenmoor.

The observance will open Sunday and continue through Oct. 14. Representatives attended from the East Liverpool, Liverpool Township East and West, Calcutta, Glenmoor, Lawrenceville and Newell departments.

The fire department representatives received literature and placards which will be used to promote the traditional program. The meeting attracted: Chief Alfred Van Dyne of East Liverpool; Clarence Snediker, president of Local 24, International Association of Fire Fighters; Frank Jewell of the State Fire Prevention Bureau.

Robert Parker of Liverpool East; William Schladen, fire marshal, and Jack Johnson, brigade leader, at Globe Refractories, Inc.; N. L. Neal, president, Leonard A. Dunn, assistant chief, and Laverne E. Seckman, chief, all of Calcutta; R. T. Keyes and Jim Roush, both of Glenmoor; Milton D. Kountz of LaCroft; Bob Duncan and Earl Flesch, both of Newell, and Okey Leasure of Lawrenceville.

Jewell discussed fire prevention work and inspection programs.

The Chamber was represented by Jack Hales, Alex Kidd, James Walker, Harold Sneddon and E. R. Chandler, executive manager.

Census Bureau Too Nosy, Rep. Betts Charges

WASHINGTON (AP) — Rep. Jackson Betts, R-Ohio, has taken to task the census bureau, charging that it is too nosy.

Betts said Monday night if the bureau doesn't stick to its business at hand, the 1970 national decennial nose count will come up with a less accurate population count than in 1960 "when five million Americans were not found by census enumerators."

The Ohioan is particularly irked about a series of questions the bureau is considering asking in the upcoming census.

Among these are: whether a family has a bathroom to itself or shares one with others; whether it has a flush toilet, a bathtub or shower of its own or shares them; whether the person queried has been married more than once, and if a woman, "how many babies has she ever had, not counting stillbirths?"

Such questions constitute "a violation of personal privary and a declaration of government harassment to the public," the congressman says.

He concluded: "To threaten the American people with a 60-day jail sentence or $100 fine for not responding to questions having nothing to do with essential facts about population is an abuse of federal power."

"Tennessee Waltz," introduced in 1950 by Patti Page, now is the official state song of Tennessee. It is said to have sold 3 million copies in its first year of release, 6 million by now, making it the largest selling record by a girl singer.

Brown Lawyers Set New Bid To Nip Extradition

ALEXANDRIA, Va. (AP) — Attorneys for H. Rap Brown plan to launch a new court bid to block extradition of the Black Power firebrand to Cambridge, Md., where he faces charges of inciting to riot and inciting to arson.

Brown was scheduled to appear today in Alexandria Corporation Court. His attorneys indicated they would attack on constitutional grounds the extradition order by Virginia Gov. Mills E. Godwin Jr.

Brown was arrested July 26 by Virginia State Police on a federal fugitive warrant. The warrant was sworn out following July 24 rioting in Cambridge, where a school and other buildings were burned.

Brown, chairman of the Student Non-Violent Coordinating Committee, had spoken to a large crowd of Negroes shortly before the rioting erupted.

Philip J. Hirschkop of Alexandria, one of Brown's attorneys, has said he'll contend the Black Power leader's arrest was illegal because it was made by state police as Brown stood on federal property—the steps of the Alexandria post office.

Hirschkop also indicated he would argue that Brown can't get a fair trial in Maryland.

Brown was served with the extradition order Sept. 13 but his attorneys immediately filed for a writ of habeus corpus to block extradition.

Junior Editors Quiz on PENGUINS

QUESTION: Where did the name penguin come from?

★ ★ ★

ANSWER: Penguins, like other birds, are warm-blooded, which means they must maintain a very high body temperature. Yet they live only in the colder parts of the southern half of the globe, many on the shores of the Antarctic Continent, the world's coldest land area. The reasons they manage to survive are hanging on two little penguin coat hangers at the upper left of the drawing. First, we see an inner coat of blubber an inch thick; then an outside coat of fine satiny feathers which secrete a special kind of oil. With this amount of insulation, cold is no problem.

The penguin inherited his name from a large bird, the auk, which is now extinct. This bird had a big white patch on his head and was often called a penguin, as pen in the Welsh language means head and gwyn, white. The great auk stood upright, could not fly and in this way resembled a modern penguin. Because of this resemblance, the name penguin was adopted for our modern bird.

Five years ago — U.S. astronaut Walter M. Shirra Jr., orbited the earth almost six full times in a space capsule before his splashdown near Midway Island in the Pacific.

One year ago — About 1,000 persons were reported dead after five days of tribal warfare in northern Nigeria.
